Proposed Budget versus Adopted Budget

The FY 2024 Budget was adopted on April 11, 2023. There were no changes made to the proposed version.

Fiscal Year 2024 Budget Message

February 14, 2023

Honorable Mayor and Council,

On behalf of the Administrative and Financial Divisions of the Town of Ocean View, with support from all departmental teams, we are pleased to submit our proposed FY2024 Budget for your consideration. This document represents the Town's financial plan for the next fiscal year, including an Operating Budget, five-year Capital Improvement Program and Water Utility budget. The overall budget, as presented, takes into consideration forecasting efforts, information identified during our 10-year Comprehensive Development Plan update, planned infrastructure projects, emerging initiatives and trends. We have again attempted to position our community so that we can address near and longer-term needs as well as react to changing revenue trends while maintaining a high level of service delivery.

The FY2024 Budget as presented herein represents a total Operating Budget of \$5,921,190 and Capital Program totaling \$4,577,540.

Some highlights from the past year include:

- **Successfully completed the West Avenue Streetscape project.** This was the first phase of the Town's pedestrian connectivity initiative, providing a safe way to walk to our popular John West Park. This effort was followed by the completion of the design for sidewalks along Daisey Avenue to the Assawoman Canal and along Woodland Avenue from Hudson Avenue to SR26, as well as Woodland Avenue from Hudson to Daisey, all on track for completion in 2023.
- **Drainage improvements** to Hudson Avenue, Country Estates and Country Village were designed in 2022 with work to begin in early 2023.
- Enjoyed very **strong community support for our Community events** having attracted families, neighbors, and friends to John West Park for family-friendly outdoor programs and entertainment. It is estimated that over 11,000 people attended our predominantly free family-friendly events over the course of the year, in addition to those that regularly enjoy the park amenities, including our shaded playground, walking trail and fitness equipment.
- Successful recruitment of one (1) new Police Officer following the departure of an officer and initiated recruitment for our 14th sworn officer in association with the placement of a fulltime School Resource officer at Lord Baltimore Elementary School.
- The Ocean View Police Department **secured Grant funding totaling \$124,975.86.**
- The Ocean View **Police Department volunteers logged 1,806 hours in 2022**, this equates to the approximate value of \$54,000 at \$29.95 a volunteer hour!
- 329 residence checks, and 762 business checks were conducted by our Police Department.

- **Over 1,676 hours of Police in-service training** were completed by our officers.
- The Town's **2020 American Planning Association Small Town Award** winning Comprehensive Plan update continues to guide efforts of the Town in relationship to the funding of projects, quality of life improvements, future initiative planning.
- Ocean View again earned an **Unmodified Opinion** for its year end 4/30/2022 Internal Audit performed by an independent audit firm. **An unmodified opinion is the highest level a Town can achieve!** In addition, the independent audit team issued **no Management letter comments for the second year in a row.**
- In advance of development, the Town annexed 27 acres of property along Woodland Avenue expected to begin construction by the end of 2023 as the Villas at Ocean View. Failure to complete this annexation would have resulted in a complex surrounded by Ocean View and benefitting from Ocean View services without actually being part of the Town and providing support.
- Ocean View **successfully completed** the development of additional parking across the street from the John West Park and Community Center following its purchase in 2022, adding another 29 parking spaces to better accommodate seasonal crowds.
- The Ocean View Police Department is honored to receive **Gold Level Recognition for Excellence in Policy Development and Police Officer Training from Lexipol in 2020, 2021 and 2022.**
- The Ocean View Police Department was awarded State of Delaware Police Accreditation, with comments that **"...the Department is an exemplary representative of an accredited agency...that takes best practices to the next level."**
- The Town's record of being named the **safest place to live in Delaware** has continued, highlighting the Town's strong **commitment to public safety**, and remaining a favorable place to do business, vacation and live!
- The Town in **partnership with Natelli Communities, LP** completed the development of and held a ribbon cutting for two **state-of-the-art Bocce Ball courts** at John West Park. The courts are now **open to the public** as well as serving as the **home court for the Special Olympics Delaware Sussex Riptides Bocce Ball team!** The support of the project by Natelli Communities LP exceeded \$70,000 with the Town contributing \$15,000.
- **Additional effective partnership building** has continued, including strong engagement with the **Historic Village in Ocean View** (new name!) including hosting the successful traveling Smithsonian Exhibit (Crossroads - Changes in Rural America) in Hall's store in the fall of 2022. The completion of the **Blue Star Memorial garden** at the corner of Atlantic and Woodland was made possible through an ongoing partnership with the **Salt Air Gardeners**, which resulted in a garden beautification project and Blue Star Memorial plaque that honors all who have served our country. Continued engagement with the **South Coastal Village Volunteers** and the **University of Delaware Lifelong Learning** classes have added energy to our community center and ease of access to members of our community for quality of life enhancing programs and services.

- Ocean View **Town Clerk Donna Schwartz earned her Master Municipal Clerk designation** in January 2023, making her the 6th town clerk in the state to reach this mark as presented by the **International Institute of Municipal Clerks!**
- The Town purchased open space property at the corner of Muddy Neck Road and Double Bridges Road with grant funding, thereby eliminating the opportunity for it to be considered for residential housing. Plans are now being developed for the **Berzins Natural Area and Park**, complete with walking trails and scenic boardwalk overlooks. To date, staff and consulting engineers have applied for grant funds for the development of the site, including a Delaware Outdoor Recreation, Parks and Trail grant of \$60,000 and a Transportation Alternatives Program (TAP) grant of approximately \$800,000.

As introduced in FY2023, we have continued to follow the budget guidelines set forth by the Government Financial Officers Association (GFOA) with the FY2024 proposed budget. In addition to such guidelines, the GFOA offers opportunities for its members to learn more about better budgeting through training programs on budget subjects. The Town's Finance Director is not only a member of the National GFOA but also holds a seat on the board of the local chapter.

Thank you to the Mayor and Council, Town employees and boards and commissions for their dedication that allowed Ocean View to have accomplished so much during this past year.

In summary, the highlights of the Proposed FY2024 General Operating Budget include:

Basic Budget Objectives

- Annual operating revenues shall cover annual operating expenses within a balanced budget. The Operating Budget can be found in **Section 2, General Fund**.
- Maintain cash holdings equal to **at least two-months operational costs** for the start of the next fiscal year without relying on state or federal grants. We have traditionally identified this funding from our Unassigned Fund Balance. As currently proposed, this Unassigned Fund Balance Objective requires \$823,532 with the projected availability of \$1,621,572 **Section 1, Budget Highlights and Assumptions**.
- **Manage the condition of existing Town sidewalks** based on the recommendations of the consulting Town engineer and our 2016 ADA Right-Of-Way Transition Plan (moved in FY2019 to the Operating Budget). This plan will enter its final stage and will be 100% complete by Spring of 2023.
- Transfer Taxes. We continue to recognize the **importance of limiting our Town's dependence on transfer taxes for operational expenses in the FY2024 Budget** in alignment with the direction of the Mayor and Council. This Budget continues to utilize transfer tax revenues to support the following trust funds:

Capital Reserve Trust Fund (CRTF -12.5% of each month's transfer taxes realized);
the
Street Repair and Replacement Trust Fund (SRRTF - 25% of each month's transfer taxes realized); and the
Emergency Reserve Trust Fund (ERTF – 20% of Operating Budget as approved).
- **Annually Fund the Emergency Reserve Trust Fund (ERTF)** at 20% of the current year's operating budget. The Town achieved this in FY2019, three years ahead of schedule as required by Ordinance 339, adopted in May of 2017, and has continued each year since to hit this target with the full value totaling \$1,104,574 in the FY2023 Budget. The decline of interest income over the past year has been recognized and adjusted for in this FY2024 Budget.

The ERTF is funded by transfer tax revenue not transferred during a fiscal year to the CRTF or the SRRTF as noted above. More specifically, we budget for the difference between what remains in the ERTF from the previous year(s) and the current budget year's 20% calculation. The current budgeted difference required for FY2024 is therefore \$131,533. **Section 3, Other Funding Sources**.

Additional Transfer Tax Commentary:

Excess Transfer Tax Revenues, over what is budgeted for each Trust Fund as noted above and not needed to reach the ERTF 20% is added to the SRRTF. This last piece is important as while it might seem like a good plan to utilize these funds to address future revenue limitations, we are reluctant to recommend this in relationship to our infrastructure funding needs on the horizon.

As in the past, our out-year review shows us that our option to complete micro-surfacing projects (less expensive) will continue to decrease while our full street repair projects (more costly) will be increasing. In addition, our sidewalk connectivity projects (new additions) are crucial to our walkability and connectivity desires and are also funded by SRRTF.

Focusing on fiscal responsibility, we share that if transfer tax revenue declines as expected when new home sales slow, it may be necessary to utilize/include general fund revenues to continue to support the above-noted trust funds in out-year budgets. Our FY2024 forecasting recognizes decline but maintains the same level of support to our trust funds, as established by ordinance.

For all of the above reasons, our Transfer Tax Revenue assumptions are conservative, and out-year trends will need to be closely monitored. Success from the efforts of the Town to:

- Maintain and improve upon livability,
- commit to a high level of responsiveness,
- focus on safety and community policing,
- cleanliness, and property maintenance improvements,
- well maintained streets and infrastructure,
- support a strong business climate,
- offer well planned and executed community events and
- strong public engagement, and partnership building, etc.,

may help improve our outlook by maintaining residential property values and increasing the number of successful businesses along State Rt 26, our primary business corridor.

- The Town's Capital Assets shall be maintained in good repair with the benefit of funding from the Capital Reserve Trust Fund (CRTF). The CRTF is supported by the regularly updated Capital Reserve Study (most recently accepted by the Mayor and Council in April of 2019). The FY2024 Reserve Funding requirement is \$83,050. This FY2024 budget includes funding to produce an updated Capital Reserve study. The Capital Reserve Trust Fund Balance after accounting for FY2024 projects will remain at approximately \$1,156,531. The CRTF details are part of the Capital Improvement Program (CIP) and can be found in **Section 3, Other Funding Sources**.

- Succession Planning. The management staff and I discuss our organization's succession planning at least annually and expect that certain key positions may turnover in 2 to 4 years, absent any special circumstances. Certain areas such as Planning have existing staff that are being exposed/trained with the idea of possibly providing an in-house opportunity to fill a position. Other areas such as IT support, and community events, possibly Public Works and Finance, will likely require additional staffing and/or increased outsourcing.

Key Budget Assumptions

- The recommended FY2024 budget is presented with **no requirement for a tax rate increase.** Therefore, the tax rate set for the FY2023 budget has been being maintained in this recommended FY2024 Budget at .2378 per \$100 assessed value. You will also recall that the Town reduced its tax rate by three (3) cents (11%) in its approved FY2023 budget last year.

Our revenue forecasting reflects anticipated decline in Transfer Tax and new construction permit revenue while recognizing a 26%, 3-year average increase in Gross Rental Receipt Taxes.

- The State of Delaware's FY2023 Budget funded **Municipal Street Aid** (MSA) for Ocean View at \$129,766. We have assumed funding of \$130,000 for FY2024.
- There has been no recent discussion at the State level to our knowledge, regarding any reduction to the 1.5% Transfer Tax currently allocated to local municipalities. Any changes to this allocation would further impact our ability to fund our trusts as noted above. As in the past, any such action would see strong opposition from the League of Local Governments in which we participate.
- **New construction permitting** is again expected to see a further reduction in the next few years with the exception of the Villas at Ocean View (currently going through the planning process) and the anticipated completion of the *revised* Silverwood's project. Both projects have been conservatively factored into our revenue forecast in relationship to timing and market concerns. The proposed FY2024 budget anticipates 20 permits for new home construction compared to 33 in FY2022 and 86 in FY2021. Our FY2023 new home permit count (originally budgeted for 40 homes) reached 20 as of December 2022, with four months remaining.
- **Town owned streets** (26.21 total miles as of spring of 2022 **will be maintained** through the continuation of our annual paving maintenance program as recommended by the Town's consulting engineer with guidance from a regularly updated pavement management study. The study was most recently completed in December 2021. Funding for this work is available from the Street Repair and Replacement Trust Fund (SRRTF). Street Funds are accounted for in the Operating

Budget. A listing of the locations for improvement in FY2024 can be found in **Section 1, Budget Highlights and Assumptions.**

- **Impact Fees** – there are various components to how Impact Fees are disbursed and what they fund. Impact fees are collected from **new construction permits** at \$1,936 of which \$1,436 is sent to the General Fund to support our Police Department operations. The remaining \$500 from **new construction permits** plus 5% of each **regular (existing properties) building permit** are transferred to the Emergency Services Enhancement Fund (ESEF).

Additional Impact Fee Commentary:

- The Emergency Service Enhancement Fund (ESEF) is the fund that supports our annual grant to the Millville Volunteer Fire Company. The FY2024 Budget also includes funding towards the replacement of an Ocean View Police Department vehicle. New revenue to this fund is forecasted to total \$60,000 in FY2024. This is a reduction of over \$45,000 from the FY2023 Budgeted forecast based on anticipated new construction and regular building permit expectations. Additionally, while having budgeted conservatively, our early forecast for how we will end FY2023 suggests we will not hit Impact fee budget figures by approximately \$14,000. Of course, this in turn impacts ESEF trust fund.
- Regardless, the Impact Fee funding sources (primarily new construction) for ESEF (to Millville Fire Co. and that help support the Ocean View Police Department operations) will eventually reduce in relationship to a decline of new construction permits going forward as the Town is built out.
- The ESEF balance after the FY2023 grant to the Millville Fire Company (maintained at \$80,000 in this proposed budget) will be approximately \$1,008,960. If left accruing, we likely have 8 years at this current level of funding, including funding support for one replacement OVPD police vehicle at \$50,000 a year.
- **Emerging Projects Fund:** We have included this fund in over the last two years in association with various projects and initiatives that have evolved over time or that have been identified following our Comprehensive Plan Update. Seed funding for 4 currently known emerging projects have been earmarked at \$77,800, with two projects having been completed and expensed (Bocce Ball Courts - \$18,500 & Purchase of 33 West Ave - \$297,702). Contingency funds of \$28,843 remain for any emerging project that moves forward. Projects are re-evaluated annually. **Section 5.**
- **American Rescue Planning Act (ARPA) funding:** The Towns full allotment of ARPA funding was received, totaling \$1,182,341 To date, \$555,681.81 has been spent (Millville Fire Bldg. Fund & Rescue Boat, Open Space purchase, PD Mobile Radio's, Pandemic Assoc. Premium Pay, 33 West Parking Lot landscaping) leaving \$626,659.19. We have earmarked this balance to assist in funding grant match

requirements associated with the Berzins Nature Park project, a stormwater project, the completion of the Card Access Project at 32 West, as well as John West Park playground upgrades and possible open space purchase. Use of the balance of funds for projects not yet approved will come before Council for approval. **Section 5.**

- **Compensation/Personnel** – This Budget proposal:
- Continues to support the FY2020 reinstatement of paid volunteers for the Ocean View Police Department front desk from Memorial Day to Labor Day at a total cost not to exceed \$4650.
- Includes a part-time seasonal code enforcement officer for Planning and Zoning with a not to exceed value of \$13,790.
- Allocates a Cost-of-Living Adjustment (COLA – based on the Dec. 2022 CPI- U Mid-Atlantic Rate) for Mayor and Council per Town Charter.
- Allocates a Cost-of-Living Adjustment (COLA – based on the Dec. 2022 CPI- U Mid-Atlantic Rate) for employees at 6.393% and COLA of 2.893% for Contractual employees (Chief of Police and Town Manager).
- Does not include any merit pay for FY2024, but continues to include an employee holiday bonus of \$350 with the exception of contractual employees.
- Includes funding for 3 Police Officers that are now eligible for promotion and a step increase having completed the necessary requirements.

- **Employee Benefits**
- Health Insurance – at this time the State of Delaware has reported no increase to the cost of participating in their plans. We have included a 2% increase absent final detail from the State. This Budget assumes premium coverage of employee selected health care plans with a 2% employee cost share requirement paid through payroll deduction for employees that select the BCBS Basic Plan. Currently, employees selecting any option other than the BCBS Basic Plan pay the difference between the Basic Plan and their plan of choice. Health insurance benefits from State of Delaware participating agency plans are only offered to full-time employees working 40 hours.
- Dental Insurance – Dominion Dental increased by 5%.
- Short Term Disability – increased 2%.
- Workers Compensation – costs have been increased by 2% based on the current formula.
- Life Insurance – increased 2%.
- Vision – Available to all full-time employees from the State of Delaware plan with 2% increase.
- Pension – A increase of 1.4% per employee for sworn officers and .04% for civilian employees based on the preliminary actuarial defined rates as supplied by the Delaware Office of Management and Budget.
- Business Insurance - Increases for the May 2023 renewal include a 5% increase and we have 5% assumed for the out-years.

- **Overtime** – The Overtime lines have been assigned as follows:10% of Public Safety Salaries; 10% of Public Works Salaries; 2% of Planning and Zoning and 1.5% of General & Administration Salaries. The salary totals used do not include ineligible staff salaries – such as the Town Manager, Chief of Police and Division Heads.
- **CATV – Mediacom Cable Franchise** – we have pulled back further on our conservative revenue forecasting for franchise fees based on continued increases, year to year. Staff plans to watch the anticipated trends associated with cord cutting/streaming, to attempt to not be caught off guard. The franchise revenue we receive is based on 5% of the services purchased by properties in the Town. If another provider enters a franchise agreement with the Town for Cable TV, the same 5% requirement will be included.
- Funds totaling \$4,000 are included in the FY2024 Operating budget to endeavor to provide 12 weeks of **fitness coaching opportunity** 3 days a week along the trail to Town residents.
- **Community Events** - This budget proposal assumes that four Seasons of Family friendly community events will be held in FY2024 (moving concerts to Summer and Movies to Fall to allow for earlier start times for movies) with a funding level of \$56,500 for Town Sponsored events and \$14,500 for partnership events as follows:
 - NEW! Spring Fling (May 6, 2023/budgeted for in FY2023)
 - Summer Concert Series (Friday evenings – June 2, 9, 16 & 23, 2023) One additional show was added.
 - Fall Classic Movie Theme Nights (Fridays, Sept. 8, 15, & 22, 2023)
 - Fall – Cops and Goblins (Saturday – Oct. 28, 2023)
 - Winter – Old Town Holiday Market, Tree Lighting and Trail of Lights (Saturday – Nov 25, 2023)

Town Partnership Events

- Quiet Resorts Chamber of Commerce Fire and Ice (Jan/Feb 2024 -Date TBD)
- Local Business Holiday Basket (Dec 2023)
- Historic Village in Ocean View – Chicken Festival (May of 2024 – if held funds would be required in March/April of FY2023)
- Our **Fee Schedule** includes modifications associated with our review of time spent on completing various tasks, solicitor billings, and or comparisons with other towns in our area. These will be the first modifications since its last adoption in 2021. **Introduction page 42.**
- **Capital Improvement Program** - The Capital Improvement Program portion of the proposed budget aligns with past discussions and needs as identified by our departments. Information is available in **Section 5 with full details of each project available in the Appendix.**

Highlights include:

- John West Park Playground Improvements – The FY2024 budget maintains past planned savings from the 2019 Reserve Study for playground upgrades at John West Park totaling \$162,211.88 (FY2021, 22 & 23) and increases the funding by \$287,789 (using ARPA funding) for a total of \$500,000. Timing of improvements , cost increases for equipment and availability delays are all being researched.
- Public Safety Capital Items - We have included the costs associated with the purchase of one (1) public safety vehicle at the total price of \$80,000 (\$30,000 Sussex County & \$50,000 ESEF). This funding includes the planned replacement in FY2024 with anticipated delivery in late FY2024 (early FY2025) in association with continued delivery delays.
- Continued drainage projects and sidewalk connectivity projects - Information is available in **Section 5 with full details of each project available in the Appendix.**
- **Trust Funds** – Full details of our three Trust Fund Accounts are attached in **Section 3, Other Funding Sources.**
- **Water System** – Our Water System remains fully self-funded, and no rate increases have been included. **Section 2, Water System.**

In closing, our Division heads and I look forward to discussing the details of the Proposed FY2024 Operating and Capital Program Budget and responding to your questions as we move through the budget process. Please let us know if you have any questions in advance to your regular Council meeting of February 14th and/or our workshop of February 28, 2023.

Respectfully Submitted,

ABOUT OCEAN VIEW

From its humble beginnings as a small village developed around a general store, Ocean View has remained focused on service to its community. Today, Route 26/Atlantic Avenue is the Town's primary commercial corridor. There is a small, secondary commercial corridor along Central Avenue consisting of primarily older structures that have been converted into small retail shops and businesses. The older, established neighborhoods are concentrated north of Route 26 and dispersed throughout the Town on the south side of Route 26, intertwined with newer planned communities. The development of Ocean View has resulted in an eclectic mix of both historic and newer structures.

Ocean View has a history of promoting the Town and showcasing its civic pride through community events. Starting in the early 1900s, the Town held its first Homecoming which featured bands, food, and appearances by governors and senators. Some early years, the crowds reached 5,000 people. This event continued annually until the 32nd Homecoming, when it stopped due to gas rationing during World War II. The Town also held its Centennial from June 12-15, 1989. The festival included food, music, and activities. The event was also paired with the 41st Delmarva Chicken Festival. A smaller Historic Village in Ocean View Chicken Festival took place in Ocean View in May of 2022.

In recent years, the Town has placed great effort into offering unique, family-friendly community events and they have become popular among residents of all ages. The Town hosts events such as fall concerts and themed Classic Movie nights as well as seasonal events like the very popular Halloween festival Cops & Goblins coordinated by the Ocean View Police Department, and the annual Old Town Holiday Market, Tree Lighting and Trail of Lights. There are additional events held throughout the year in partnership with other entities such as the Quiet Resorts Chamber of Commerce and the Ocean View Historical Society.

All of the Town events are held at beautiful John West Park and Community Center, which has become a focal point for gathering with family and friends. The well maintained shaded park and playground areas are now hosting 2nd and 3rd generation visitors that welcome the opportunity to reminisce, slow down and be a part of a peaceful community, just two miles from the Atlantic Ocean.

HISTORY OF OCEAN VIEW

The Town of Ocean View was officially incorporated on April 13, 1889 with the first Town Council meeting being held a week later, April 20, 1889 with nine (9) elected council members. The first town council president elected was Captain George W. West.

The history of Ocean View, however, dates back to the colonial era. The present site of Ocean View was originally a tract of 500 acres known as "Middlesex" and granted to Matthew Scarborough under the authority of "Charles, Absolute Lord and Proprietary of the Provinces of Maryland and Avalon, Lord Baron of Baltimore".

After Scarborough's death, his land passed into the hands of the Hazzard family and then into the hands of the Hall family. It was the Hall family who founded the Town of Ocean View. Shortly after 1800, W.S. Hall opened a store on his farmland near White's Creek, which was a portion of the old Middlesex Plantation. Following the establishment of the general store, the area became known as Hall's Store. The village that sprang up around the store was composed of families of farmers, watermen, and seamen. In 1833, a post office was established on Central Avenue. Legend has it that the name of the village was changed to the Town of Ocean View due to its proximity to the beach with the Atlantic Ocean located just two (2) miles to the east. It is said that one could see the Atlantic Ocean from the second floor of many homes.

Ocean View's businesses listed in the Sussex County Farm Directory of 1875-1877 included J.M. Steel (blacksmith), Holt & Townsend (lumber), Js. F. Holt, G.W. Tunnell, McNeal & Williams (merchants), Miss M. Townsend (milliner), Jas. B. Davis (shoemaker), Lemuel H. Derrickson and Geo H. West (vessel captains), John W. Evans, James A. Firman, Joseph E. Hall, James F. Holt, Willian H. Hudson, Benton Mitchell, Jacob Pusey, Nathaniel F. Quillen, Thomas H. Richards, John Taylor, Peter Townsend, and John M. Turner (farmers and fruit growers).

An 1890 map of the Town, drawn by John T. West, included 44 residential dwellings, four stores, and two churches – Ocean View Presbyterian Church and Mariner's Ocean View Methodist Church. By 1895 the Town had a population of 350 residents according to the Sussex County Farm Directory of 1895-1897. Residents at that time held jobs as sailors, life savers, masons, shopkeepers, carpenters, fishermen, mill operators, and farmers.

In 1923, Mrs. Cecile Long Steele ordered 50 chicks for her egg-laying business but instead received 500 birds thanks to a clerical error and raised her first flock of broiler-fryer chickens for commercial consumption, establishing Ocean View as the birthplace of the commercial broiler industry. This is Delaware's number one agricultural enterprise.

The Town would eventually shift from a predominately agricultural community to a year-round residential community with a commercial center. In the 1980s and 90s, the Town started to see an increase in retirees and vacationers. Today, the Town of Ocean View continues as a residential community often referred to as a bedroom beach community. Ocean View is home to a year-round population with seasonal vacationers that increases the Town's population during the summer months.

Basis of Budgeting

Basis of Accounting and Budgeting

Accounting Basis

The basis of accounting refers to the timing of when transactions (revenues or expenditures) are recorded for reporting on the financial statements. Ocean View conforms to generally accepted accounting principles (GAAP) as applicable to government entities.

The Governmental Fund is accounted for on a modified accrual basis. Under the modified accrual basis accounting, revenues are recognized as soon as they are both measurable and available. Revenues are considered available if collected within 60 days after year-end while expenditures are recorded as the liabilities are incurred. Depreciation is not a recognized expense. Property taxes, interest revenue, intergovernmental and miscellaneous revenue are the primary revenue sources subject to accrual. Property taxes are reported as a receivable and considered available in the fiscal year for which they are levied if they are collected within the 60 days after year-end. The Town bills and collects its own property taxes. The Proprietary Fund is reported using the accrual basis of accounting. Under the accrual basis accounting, Water System revenues are recorded when earned and expenses are recorded at the time they are incurred while estimated uncollectible accounts receivable are reserved at year-end.

Budgetary Basis

In the General fund, including Capital Projects, the budgets are adopted using a modified accrual basis of accounting with the following exceptions:

- Budget amounts are encumbered when contracts are approved by Council and signed. At year-end, encumbered amounts that have not yet been expended are carried forward to be paid in the next fiscal year and are reflected in the Town's Committed Fund Balance. These amounts for expenditures are included in the fiscal year where they are budgeted, rather than the fiscal year the liability incurred. In accordance with Town Charter, appropriations that are not spent or encumbered lapse at the end of the fiscal year.
- Capital Projects, although part of the General Fund, are budgeted in perpetual or multi-year accounts. The Capital Project budgets do not lapse until the project is complete or considered abandoned as stated in the adopted budget ordinance.

In the Water System fund, the budget is adopted using an accrual basis of accounting with the following exceptions:

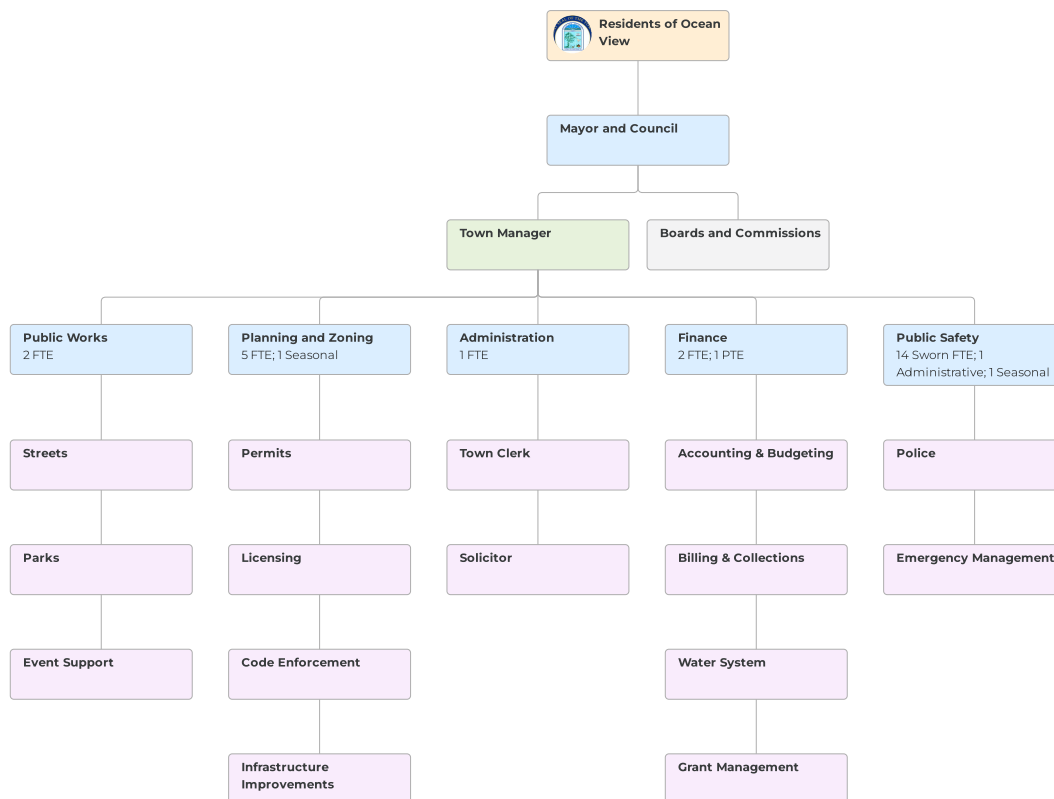

- Capital outlay is budgeted. This expenditure is not considered an expense on the accrual basis of accounting.
- Depreciation and amortization are not budgeted since these items do not require an expenditure of funds. These are considered expenses on the accrual basis of accounting,

Organization Chart

The Town of Ocean View is governed by a five-member elected Council. The Town's Charter specifies the election of the Councilpersons and the Mayor. Each Councilperson, as well as the Mayor, is elected by a plurality of all registered town voters for three (3) year terms and are limited to two (2) consecutive terms in office. The Town Council appoints the Town Manager. The Town Manager implements the Council's policies, serves as the Town's Chief Executive Officer, supervising the day-to-day operations of all the departments of the Town government as well as being charged with developing the annual and capital improvement budgets. He/She supervises an overall staff of 25 employees and is assisted by four (4) division heads including - Chief of Police, Director of Finance, Director of Planning & Zoning and Public Works Manager.

The organizational chart below represents general areas of responsibility.

Fund Structure

The Town of Ocean View's accounting system is organized and operated on a fund basis. Its funds are classified into two types: governmental and proprietary funds. Both are represented in the budget document.

Governmental Funds

The focus of the governmental fund is the determination of financial position and changes in financial position rather than net income. The Town has the following major governmental fund.

General Fund

The General Fund is the general operating fund of the Town of Ocean View. It is used to account for all financial resources except those required to be accounted for in another fund. The General Fund revenues are used to maintain and operate the general government operations such as Administration, Public Safety, Planning & Zoning and Public Works. The General Fund is appropriated and adopted by budget ordinance. Appropriations are detailed at the departmental level.

The Capital Projects Fund is part of the General Fund but is appropriated and adopted by its own budget ordinance. Appropriations are at the departmental level with funding sources from the General Fund ("Pay Go"), Capital Replacement Trust, Street Repair / Replacement Trust and grants. Transfer Tax is solely used to fund the Capital Replacement Trust (12.5%), the Street Repair / Replacement Trust (25% plus any additional) and the Town's Emergency Reserve (20% of current year's budget).

Proprietary Funds (solely Enterprise Funds)

The focus of proprietary fund measurement is upon determination of operating income, changes in net assets, financial position and cash flow similar to businesses in the private sector. The Town has the following major proprietary fund.

Water Fund

The Water Fund accounts for water services provided to customers on the Town's water distribution system. Only a portion of Ocean View properties are served by the Town's fully outsourced water utility. Activities of the enterprise fund include administration, operation, and maintenance of the water distribution system. The costs of providing water service as well as debt payment are recovered primarily through water usage charges. The Water Fund is appropriated and adopted in the same budget ordinance as the General Fund.

Budget Process

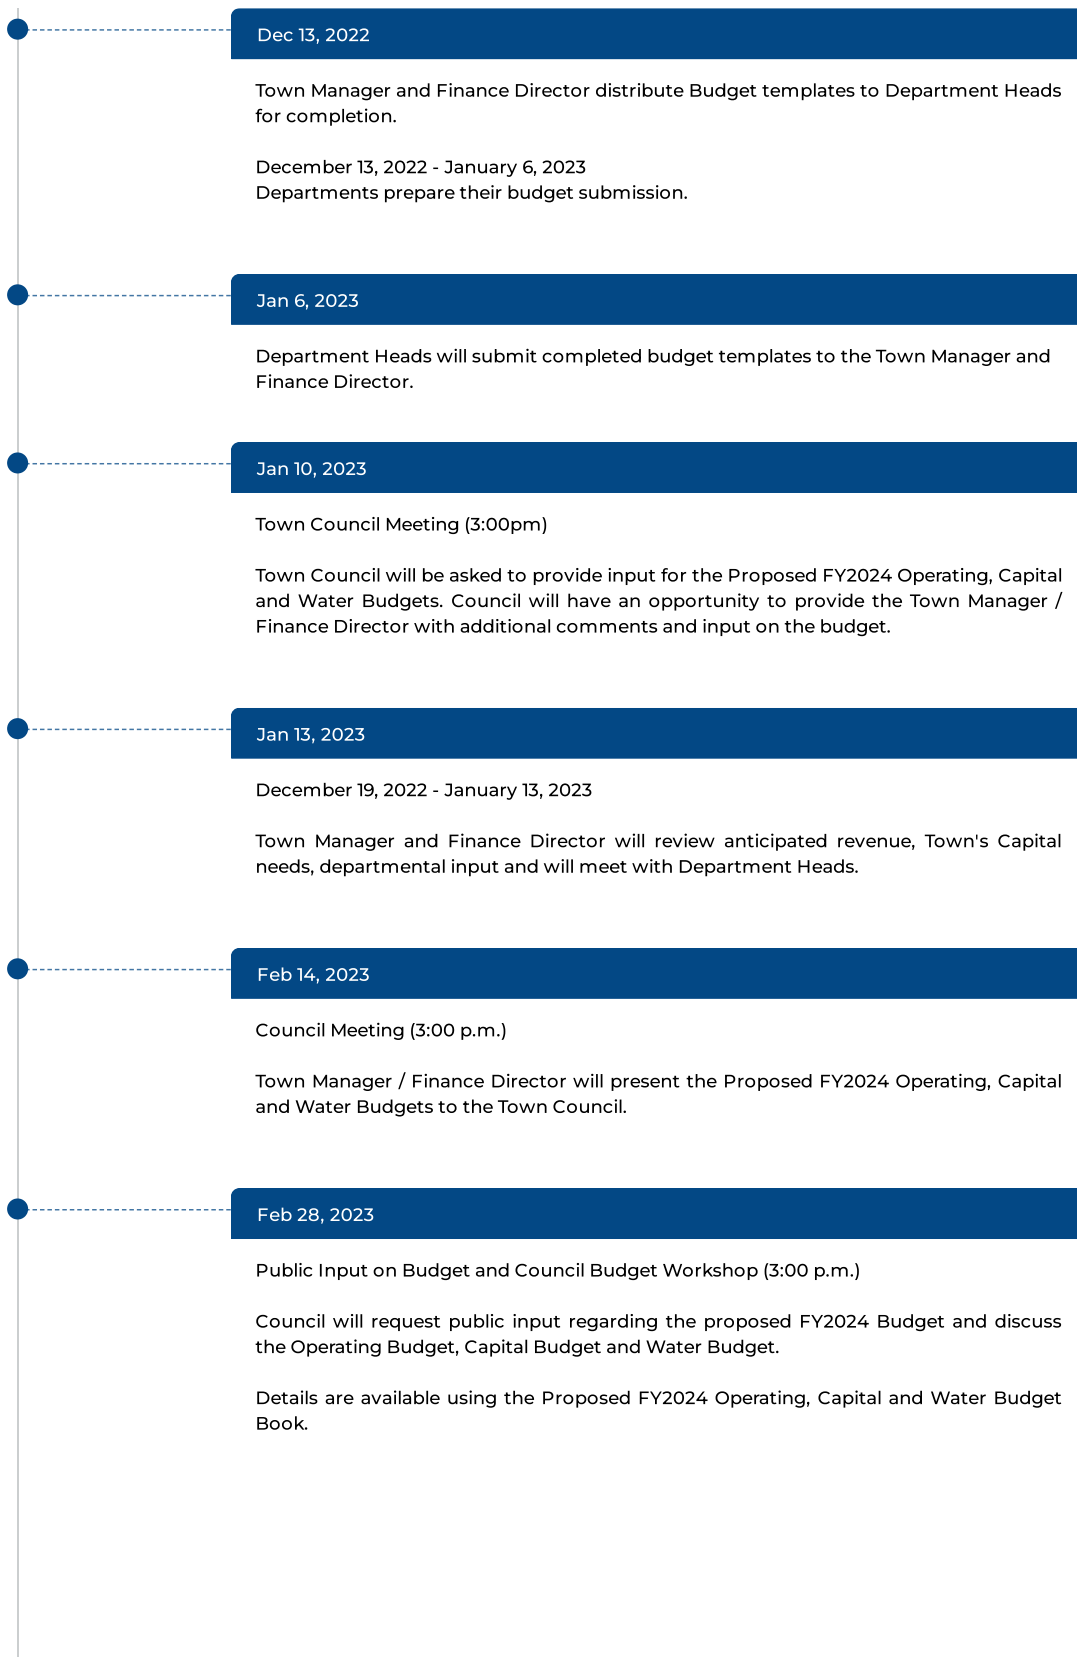

By Town Charter, the Town Manager shall submit a balanced operating budget to the Town Council no later than the fifteenth (15th) day of March each year. The budget shall provide a complete financial plan and shall contain estimates of anticipated revenues and proposed expenditures for the coming year. The total anticipated revenues shall equal or exceed that total of proposed expenditures. The budget shall be open to inspection by anyone during the normal business hours and is currently also available on the Town's website.

The Town Manager shall also propose and submit to the Town Council a five (5) year Capital Improvements Program which includes a clear summary of its content, a list of all capital improvements proposed to be undertaken during the next five (5) years along with cost estimates, funding sources and recommended time schedule for each of the projects. The Capital Improvements Program is revised and extended each year.

The Town Council shall hold a public hearing and by ordinance adopt by ordinance the Operating and Capital Improvements Program, as submitted or amended. A favorable vote of at least a majority of all members elected to the Town Council shall be necessary for adoption in advance to the Town's Fiscal Year commencing on May 1st.

Budget Timeline

The Fiscal Year 2024 budget timeline is shown below:

Changes to Budget After Adoption

If, during the fiscal year, the Town Manager certifies that there are available funds for appropriations, revenues in excess of those estimated in the budget, the Town Council may make supplemental appropriations for the year up to the amount of such excess.

If line items within the budget exceed the appropriation approved by Town Council, the budget must be formally amended by going through the same process in which the budget was adopted, by ordinance through the public hearing process.

Financial Policies

Ocean View's Financial Policies are set either by the Town Charter, the Town Council or Town Administration. These policies are used to establish goals and targets for the Town's financial operations, so that the Town Council and Administration can monitor the Town's performance.

The following pages contain the policies in the following areas:

1. Fiscal and Financial Affairs
2. Trust Reserve
3. Investment

Fiscal and Financial Affairs

The Charter of Ocean View article three (3) establishes the fiscal and financial affairs policies of the Town.

Fiscal Year

The Town shall operate on an annual budget. The fiscal year of the Town shall begin on the first day of May and end on the last day of April in the next succeeding calendar year. Such fiscal year shall constitute the budget year and the accounting year.

Duty to Prepare the Budget

The Town Manager shall submit an operating budget to the Town Council not later than the fifteenth (15th) day of March each year. The budget shall provide a complete financial plan for the budget year and shall contain estimates of anticipated revenues and proposed expenditures for the coming year. The total of the anticipated revenues shall equal or exceed that total of the proposed expenditures. The budget and all other financial records of the Town shall be open to inspection by anyone during normal business hours.

Capital Improvements Program

The Town Manager shall propose and submit to the Town Council a five (5) year Capital Improvements Program not later than the fifteenth (15th) day of March each year.

The Capital Improvements Program shall include:

1. A clear summary of its content.
2. A list of all capital improvements proposed to be undertaken during the next five (5) years.
3. Cost estimates, finding sources and recommended time schedules for each of the capital projects.

The Capital Improvements Program shall be revised and extended each year as the then current portion is adopted as part of the operating budget.

The Town Council shall hold public hearings and by ordinance adopt the Capital Improvements Program, as submitted or amended, at the same time as the adoption of the operating budget. The Town Manager shall include in the proposed operating budget those capital projects adopted by the Town Council for the ensuing year.

Adoption of the Budget

Before adopting the fiscal year budget and Capital Improvements Program, the Town Council shall hold a public hearing thereon after fifteen (15) days notice thereof in one (1) or more newspapers of general circulation within the Town. The Town Council may insert new items or may increase or decrease the items in the fiscal year budget. Where the Town Council shall increase the total proposed expenditures, it shall also increase the total anticipated revenues in an amount at least equal to such proposed expenditures.

The fiscal year budget shall be prepared and adopted in the form of an ordinance. A favorable vote of at least a majority of all members elected to the Town Council shall be necessary for adoption.

Appropriations

No public money may be expended without having the approval of the Town Council. From the effective date of the budget, the general amounts stated therein as proposed expenditures shall be and become appropriated for the same general objects and purposes named therein with the following exceptions:

Supplemental Appropriations

If, during the fiscal year, the Town Manager certifies that there are available for appropriations, revenues in excess of those estimated in the budget, the Town Council by ordinance may make supplemental appropriations for the year up to the amount of such excess.

Emergency Appropriations

To meet a public emergency affecting life, health, property or the public good, the Town Council may make emergency appropriations. Such appropriations may be made by emergency ordinance in accordance with the provisions of Section 2.309 (B) of this Charter. To the extent that there are no available unappropriated revenues to meet such appropriations, the Town Council may by such, emergency ordinance, authorize the issuance of emergency notes which may be renewed from time to time, but the emergency notes and renewals of any fiscal year shall be paid not later than the last day of the fiscal year next succeeding that in which the emergency appropriation was made.

Reductions

If, at any time during the fiscal year, it shall appear to the Town Council that the revenues available will be insufficient to meet the amount appropriated, the Town Council shall then take such action, as it deems necessary to prevent or minimize any deficit and may by ordinance reduce one (1) or more appropriations.

Limitations; Effective Date

No appropriation for debt service may be reduced or transferred, and no appropriation may be reduced below any amount required by law to be appropriated or by more than the amount of the unencumbered balance thereof. The supplemental and emergency appropriations, and reduction or transfer of appropriations authorized by this Section, may be made effective immediately upon adoption.

Transfer of Funds

Any transfer of funds between appropriations proposed by the Town Manager or Chief Financial Officer must be approved by the Town Council before becoming effective.

Expenditures in Excess of Appropriations

No officer or employee shall, during any fiscal year, expend or contract to expend any money or incur any liability or enter into any contract which by its terms involves the expenditure of money for any purpose, in excess of the amounts appropriated for, or transferred to, that general classification of expenditure pursuant to this Charter. Any contract, verbal or written, made in violation of this Charter shall be null and void. Nothing contained in this section, however, shall prevent the making of contracts or the spending of money for capital improvements to be financed in whole or in part by the issuance of bonds, nor the making of contracts of lease or for services for any period exceeding the budget year in which such contract is made, when such contract is permitted by law.

Lapse of Unexpended Appropriations

All appropriations shall lapse at the end of the budget year to the extent that they shall not have been expended or lawfully encumbered. Any unexpended and unencumbered funds shall be considered a surplus at the end of the budget year and shall be carried into the subsequent fiscal year in the Town's cash balances.

Disposition of Fees Received by Town Officers and Employees

All fees received by an officer or employee of the Town in his or her official capacity shall belong to the Town and shall be accounted for to the Town.

Power to Tax

The Town Council shall determine and fix a rate of taxation based upon the most recent assessment after the budget has been adopted. The Town Council shall determine and fix a rate of taxation, which will produce approximately the amount of money necessary to defray the expenses of the Town for the current year, including interest on bonded indebtedness, for redemption of maturing bonds, and for maintenance of a sinking fund. The Town tax rate shall be stated in terms of a certain rate on every One Hundred Dollars (\$100) of the assessed valuation.

Taxing Power

The Town Council shall have the power to levy and collect taxes on real property within the limits of the Town, except that which is not assessable and taxable by virtue of any law of the State of Delaware, to defray the expenses of the Town as determined pursuant to Section 3.110. The power to levy and collect taxes includes such amounts as are necessary to pay the principal and interest on general obligation bonds of the Town, for redemption of maturing bonds and for the maintenance of a building fund.

Revenues

Assessments

Taxation of Property

In the manner provided by law, the Town shall value and assess all property liable to assessment every five (5) years. All property that has increased in value because of additions, new buildings and improvements shall be assessed annually. The Town shall

also in the annual assessment revise the assessment with respect to all real estate which has been sold or transferred during the year and keep current the assessment valuation of all other assessable property within the Town. The Town shall notify property owners by letter when their assessment has changed.

The Town shall make a written record showing the property; name(s) of owner(s), arranged alphabetically; the value of the property; and the amount of each owner's assessment. The assessment list shall be completed not later than the fifteenth (15th) day of February of each year. The Town shall post a copy of the assessment list in the Melson Administrative and Public Safety Building for public inspection and advertise by publication the inspection hours.

Any taxpayer of the Town aggrieved by the assessment on his or her property shall notice the Town, in writing, within twenty (20) days after being notified by letter that the assessment has changed, or by means of the posting of the assessment list for that year. Thereafter, Town Council shall hear and determine the appeal, and, not later than the thirty-first (31st) day of March, certify the assessment roll in its final form.

The Town Council may, by ordinance, assign any or all of its power under this Section to a Board of Assessment which shall be chosen in such fashion, serve for such term, and have such duties as the Town Council may ordain. After the valuation, assessment and any revision thereof, all taxes so assessed shall be levied and raised in equal proportions and rates.

Taxation of Real Estate Transfers

The Town Council of the Town of Ocean View shall levy, assess and collect, or provide for the levying, assessment and collection of such taxes as determined by ordinance.

Assessments When Due and Payable; Penalty for Late Payments

All Town taxes shall be due and payable May first (1st). After the thirty-first (31st) of August in the year in which the taxes shall be due, a penalty of one and a half percent (1.5%) per month shall be added until the same shall have been paid. The Council shall have the power to make just allowance for delinquencies in the collection of taxes.

Tax Collection

It shall be the duty of the Chief Financial Officer to proceed forthwith to collect all taxes in a fiscal year in which assessed and, in the collection of said taxes, the Chief Financial Officer shall have all the same powers conferred upon or vested in the Director of Finance for the Department of Finance of Sussex County.

The provisions of Title 25, Sections 2901 through 2905 of the Delaware Code Annotated, as amended, with reference to tax liens, shall be deemed and held to apply to all taxes late and opposed under the provisions of this Charter.

Authority to Borrow Money and Issue Bonds

The Town Council may borrow money, and issue bonds or certificates of indebtedness to secure the payment thereof, on the faith and credit of the Town of Ocean View, to provide funds to defray the cost or the share of the Town of the cost of any permanent municipal improvements or appeal bonds; provided, however, that the borrowing of the money therefore shall have been authorized by the Town Council and shall have been approved in the following manner:

1. Council by ordinance shall be permitted to borrow for the cost of permanent municipal improvements or appeal bonds. The ordinance shall state the amount of the money desired to be borrowed; the purpose for which it is desired; the manner of securing the same; and other facts relating to the loan, which are deemed pertinent. Such ordinance shall be passed by the affirmative vote of a majority vote of all members of the Town Council. The proposed borrowing ordinance must follow the same procedures for approving any ordinance enacted by the Town Council. If the sum to be borrowed does not exceed one-half percent (0.5%) of the current total assessable tax base of the Town of Ocean View in current fiscal year, the ordinance becomes effective immediately.

2. If the sum of money to be borrowed exceeds one-half percent (0.5%) of the current total assessable tax base of the Town of Ocean View, the ordinance shall not become operative until after a thirty-one (31) day waiting period to permit the filing of a petition for a Borrowing Referendum to be filed.

3.

(a) If not less than thirty three percent (33%) of the qualified voters of the Town of Ocean View shall sign and deliver to the Town Manager a petition calling for a Borrowing Referendum any time within the thirty-one (31) day waiting period established above, the Town Council shall, within twenty (20) days, adopt a resolution proposing to the electors of the Town that an amount of money be borrowed for any of the above purposes. The resolution shall state the amount of money desired to be borrowed, the purpose for which it is desired, the manner or securing the same, and other pertinent facts relating to the loan which are deemed pertinent by the Town Council, and ordering a Borrowing Referendum to be held not less than thirty (30) nor more than ninety (90) days after the adoption of said resolution.

(b) Notice of the date, time and place of holding of the said Borrowing Referendum shall be printed in two (2) issues of a newspaper having a general circulation in the Town of Ocean View within thirty (30) days prior to the date of said Borrowing Referendum.

(c) At said referendum, every owner of property, whether an individual, partnership, corporation, or other entity, shall have one (1) vote and every person who is a bona fide resident of the Town, but not an owner of property within the municipal limits of the Town and who shall be entitled at the time of the Borrowing Referendum to register and vote in the annual general election if such were held on the day of the Borrowing Referendum shall have one (1) vote whether or not such person be registered to vote in the annual general election.

(d) Any Borrowing Referendum shall be held pursuant to the provisions of this section shall be conducted by voting machines that shall have the ballot:

(e) In the event that an individual holds a power of attorney duly executed and acknowledged of another person or the resolution of the governing body of a partnership, corporation, or other entity, specifically authorizing the said individual to vote at the Borrowing Referendum, a duly authenticated copy of which has been filed in the Board of Elections, such individual shall be entitled to cast the vote of such person, partnership, corporation, or other entity.

(f) Immediately upon the closing of the polling place, the Board of Elections shall count the ballots for and against the proposed borrowing and shall announce the results thereof and shall make a certificate under their hands of the number of votes cast for and the number of votes cast against the proposed borrowing and the number of void votes and shall deliver such certificate in duplicate to the Town Council. Said certificate shall be filed with the papers of the Town Council.

4. In the event that the Borrowing Referendum fails, no related ordinance shall again be considered for adoption for a period of at least six (6) months from the date of the Borrowing Referendum.

5. If the Borrowing Referendum passes, the Town Council shall determine the form of indebtedness; the interest rate; the time or times of payment of interest; the classes; the time or times of maturity; provisions as to registration; any callable or redeemable provision; the denomination and name, and other relative or pertinent matters. The bond or bonds or certificate or certificates of indebtedness may be sold at either public or private sale. The Council shall provide in its budget, and in fixing the rate of tax, for the payment of interest and principal on said bonds at the maturity or maturities thereof, and may establish a sinking fund therefore. The full faith and credit of the Town of Ocean View shall be deemed to be pledged for the due payment of the bonds and interest thereon issued under the provisions hereof, when the same have been properly executed and delivered for value. There shall be no limitation upon the amount which may be raised from the taxation of real estate for the payment of interest on, and the principal of, any bonded indebtedness whether hereinbefore or hereafter incurred.

6. The bonded indebtedness shall not at any time exceed in the aggregate the total sum of twenty-five (25%) percent of the assessable value of the real property situate within the limits of the Town as shown by the last assessment pending the creation of the said indebtedness.

The Town Council of the Town of Ocean View shall have full power and authority to anticipate revenue by borrowing upon the full faith and credit of the Town of Ocean View, when, in the opinion of the majority of the Town Council, the needs of the Town of Ocean View demand it. The Town Council may secure such sum or sums of money so borrowed by promissory notes of the Town executed by such officers as designated by Town Council, either with or without the corporate seal of the Town of Ocean View affixed, as is requested by the Bank or persons advancing the money on said notes. No officer or Council Member shall be personally liable for the payment of such note because it is signed by them as officers or Council Member of the Town of Ocean View,

and said note is authorized by ordinance of the Town Council. And no part of the principal of or the interest on any borrowing authorized by this Section shall be taxable by the State of Delaware or any political subdivision thereof.

The Town Council may accept from any authorized agency of the State or Federal government, or from persons, firms, or corporations, grants, loans, or contributions, and enter into agreements with such agency respecting such loans or grants.

The Town Council shall not borrow money for its annual budgetary needs.

Independent Audit

The Council shall provide for an independent audit of all Town accounts and may provide for more frequent audits, as it deems necessary. The person or persons selected to audit the accounts of the Town shall have no personal interest, direct or indirect, in the fiscal affairs of the Town or any of its officers. An annual audit of the financial records of the Town shall be made at the end of each fiscal year, the fiscal year being from May first (1st) of each year to April thirtieth (30th) of the following year.

Reserve Trust Policies

Emergency Reserve Trust

The Emergency Reserve Trust was adopted by Town Council by Ordinance 212 and revised by Ordinance 339.

In preparing the annual budget for the Town, the Town Manager shall include an appropriation for an Emergency Reserve Trust (hereinafter ERTF). The total accumulated balance to be maintained shall not be less than 20% of the current operating budget of the Town. Portions of the transfer tax revenue shall be allocated to achieve and maintain the accumulated balance.

Funds accumulated in the ERTF may be expended if the Town is included within a geographical area declared to be a natural disaster by the President of the United States of America or by the Governor of the State of Delaware. In addition, funds can be expended by the Town Council when, at its discretion, it declares a public emergency and only for those purposes concurred upon by a majority of the members elected to the Town Council. Additionally, funds in the ERTF may be expended to fund the Town's annual operating budget during a period of reduced revenues due to reductions in transfer tax.

The Emergency Reserve Trust shall be replenished after expenditure for a natural disaster or to fund the Town annual operating budget by the Town Council by additionally depositing funds appropriated from the annual operating budget equal to 20% of the ERTF funds expended commencing the fourth (4th) year after their expenditure.

Funds accumulated in the ERTF will not be considered unexpended and unencumbered funds at the end of the budget year as per Section 3.108, Lapse of Unexpended Appropriations, of the Town Charter. Funds accumulated in the ERTF shall be considered encumbered funds.

Capital Replacement Trust

The Capital Replacement Trust was adopted by Town Council by Ordinance 304 and revised by Ordinance 324.

In preparing the annual budget for the Town, the Town Manager shall include an appropriation for the Capital Replacement Trust (hereinafter CRTF). The CRTF shall be funded by twelve and one-half percent (12.5%) of the Town's transfer tax and any additional income that may be earned by the reasonable and prudent investment of the CRTF in secure investments.

Funds accumulated in the CRTF shall be expended only for the repair and replacement of capital assets or improvements determined by a majority of the members elected to the Town Council when the repair or replacement cost exceeds \$1,000. Repair and Replacement costs may include engineering fees and costs, if necessary.

Funds accumulated in the CRTF will not be considered unexpended and unencumbered funds at the end of the budget year as per Section 3.108, Lapse of Unexpended Appropriations, of the Town Charter. Funds accumulated in the CRTF shall be considered encumbered funds.

Street Repair and Replacement Trust

The Street Repair and Replacement Trust was adopted by Town Council by Ordinance 303 and revised by Ordinance 325.

In preparing the annual budget for the Town, the Town Manager shall include an appropriation for the Street Repair and Replacement Trust (hereinafter SRRTF). The SRRTF shall be funded by twenty-five (25%) of the Town's transfer tax and any additional income that may be earned by the reasonable and prudent investment of the SRRTF in secure investments.

Funds accumulated in the SRRTF shall be expended only on the repair and replacement of street repair and replacement projects concurred by a majority of the members elected to the Town Council when the repair or replacement cost exceeds \$10,000. Repair and Replacement refers to the act of repairing or replacing a street, drainage system, or sidewalk through restoration, repair or replacement, including upgrades in quality, technology, design, construction or the like, together with the incidental design and engineering costs.

Funds accumulated in the SRRTF will not be considered unexpended and unencumbered funds at the end of the budget year as per Section 3.108, Lapse of Unexpended Appropriations, of the Town Charter. Funds accumulated in the SRRTF shall be considered encumbered funds.

Investment Policy

It is the policy of the Town of Ocean View to invest public funds in a manner which will provide the highest investment return with the maximum security, while meeting the daily cash flow demand of the town. All investment activity must conform to any Federal, State or Local statutes governing the investment of public funds.

This investment policy applies to all financial assets of the Town. These funds are enumerated in the Town's Comprehensive Annual Report and include:

1. General Fund (Operating and Reserve Funds)
2. Special Revenue Funds
3. Enterprise Funds (e.g., Water Fund)

This statement of investment policy is set forth by the Town Council in order to:

1. Define and assign the responsibilities of all involved parties.
2. Establish a clear understanding for all involved parties of the investment goals and objectives for the Town's public funds.
3. Provide guidance and limitations to all third party investment managers regarding the investment of Town funds.
4. Establish a basis for evaluating investment results and investment manager's performance.
5. Establish the relevant investment horizon for which the Town's funds will be managed.
6. Meet the Town's fiduciary responsibilities by establishing policies and guidelines for investing the Town's funds.

The primary objectives, in priority order, of the Town's investment activities shall be:

1. Safety: Preservation of principal is the foremost objective of the investment program.
2. Liquidity: The Town's investment portfolio (both principal and earnings) shall remain sufficiently liquid to enable it to meet all the operating requirements that might be reasonably anticipated.
3. Return on investment: The Town's investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles.

The Investment Officer may invest funds in the following:

- a. United States Government Securities: Issued and supported by the full faith and credit of the U.S. Government and Treasury.
- b. Commercial Bank Savings Accounts, Certificates of Deposit, Time Deposits, and Bankers Acceptances provided the banking institution is organized and supervised under federal or state laws; has assets of not less than \$5 billion; and is rated not lower than "B" by Fitch, Inc..
- c. Money Market Accounts in Commercial Banks.
- d. Delaware Local Government Investment Pool (DELGIP).
- e. Commercial Paper that is rated "A-1" by Standard & Poor's and/or "P-1" by Moody's Investor Services.

Prohibited investments include, but are not limited to the following:

- a. Commodities
 - b. Private Placements
 - c. Limited Partnerships
 - d. Venture-Capital investments
 - e. Real Estate Properties, except by participating in an open-end fund holding a diverse portfolio of real estate securities
 - f. Unlisted or restricted securities
 - g. Derivatives such as options, futures, and swaps
 - h. Purchase of foreign securities, except those traded on an organized exchange and American Depositary Receipts (ADRs)
- The Town's investment policy was adopted by resolution of the Town Council.

Fee Schedule

A schedule of fees for all administrative actions or services, applications, licenses, permits, impact fees, professional fees, financial security, performance, surety and utility bonds, rental licenses, Police Department fees, and such other fees as required by the Town's Code are established by resolution of the Town Council. The current fee schedule was adopted by resolution 21-01 on April 13, 2021 and effective May 1, 2021.

The following pages highlight the proposed changes to the Fee Schedule.

If adopted, by resolution, the Fee Schedule will become effective May 1, 2023.

BUDGET OVERVIEW

Budget Highlights and Assumptions

The following pages show an overview of the budget highlights and assumptions for revenues, expenditures and capital improvements.

Budget Highlights

Continue to have no reliance on Transfer Tax for Operating Expenses

At the January 10, 2023 Council Meeting, Council recommended that the Town continue to eliminate reliance on Transfer Tax revenue.

Summary of Operating Budget

The totals below are revenues and operating expenses only and do not include capital expenditures funded by the General Fund. The shortages must be available from the Unassigned Fund Balance. The operating expenses include street repair and maintenance that is funded by the Street Repair & Replacement Trust, which is also reflected in the revenues. The out-year's fluctuation in expenses is directly related to street repair and maintenance of currently scheduled projects.

Balanced Budget Objective

The totals below are both operating and capital expenditures. The shortages must be available from the unassigned fund balance. As of the end of FY2022 (April 30, 2022), the Town's unassigned fund balance is \$1,810,287 and is also used for our goal of having a minimum of two (2) months of projected expenses available.

Regarding 2023, the \$188,715 from the unassigned fund balance provides the funding to order the two (2) additional PD vehicles in December 2022 (due to delivery delays) and the replacement purchase of a SUV for Planning & Zoning.

Assumptions - Revenues

Projected Transfer Tax

With the Town reaching its limit of annexation, the realty transfer tax will be transitioning from mostly the sale of new homes to the sale of existing homes. With this in mind and the rising interest rates, the realty transfer tax revenue has been reduced by \$250,000 from last fiscal year.

For Fiscal Year 2023, the amount represents revenues budgeted, not projected. For FY2024, to meet our \$1,000,000 budgeted goal, we would need to collect \$83,333 monthly.

	FY23	FY24	FY25	FY26	FY27	FY28
Total Amount	\$ 1,250,000	\$ 1,000,000	\$ 1,000,000	\$ 1,000,000	\$ 900,000	\$ 800,000
Calculated % decrease	-18.1%	-20.0%	0.0%	0.0%	-10.0%	-11.1%

Projected Property Tax

The tax rate in FY2023 was .2378 per \$100 assessed value. We have proposed no change to the rate in FY2024. The FY2024 property taxes are projected based on the total assessed values updated through 12/31/2022.

One cent is approximately equal to an increase / decrease of \$138,448 in tax revenue.

At the January 10, 2023 Council meeting, Council recommended that the Town continue to grant a 1% discount for early payment of property taxes.

Building & Sign Permits, Site Plan Reviews

Permit cost for principal and accessory structures is \$1.25 per square foot.

Permit cost for open decks and / or patio areas free from an enclosed wall and / or roof is \$0.50 per square foot.

The FY2024 Proposed Fee Schedule increases the fees to the following:

Permit cost for principal and accessory structures is \$1.50 per square foot.

Permit cost for open decks and / or patio areas free from an enclosed wall and / or roof is \$1.00 per square foot.

Business & Rental Licenses

Projections are based on trends in licenses issued over the past several years. As of July 1, 2020, Realtors were no longer required to have a license.

Effective May 1, 2021, the rental license fee increased from \$75 to \$150.

The FY2024 Proposed Fee Schedule increases the Business License to \$200 and eliminates the Temporary License.

Gross Rental Receipt Tax

Gross rental receipt tax revenue projections are based on trends in prior year collections. The gross rental receipt tax revenue has increased an average of 26% over the last three (3) fiscal years.

Effective January 1, 2012, the Gross Rental Receipt tax rate is 5% of rental income.

Impact Fees and Emergency Services Enhancement Funding (ESEF)

- collections from new construction permits

Impact fees are collected with certain building permits (at rate of \$1,936) and are projected based on recent construction activity.

ESEF fees - \$500 is collected as part of the Impact Fee. The funds are committed to ESEF until approved and distributed. The amount also includes .5% of the construction value of permits issued.

CATV Revenue (Mediacom)

Projections are based on collections from Mediacom over the past several years. The current Franchise Cable Agreement expires October 1, 2027. Although we recognize that 27% of cable households are estimated to cut the cord / increase streaming, we do not see that within the Town of Ocean View due to having a large short-term rental community and have adjusted our estimate to reflect current collections.

Street Repair & Improvements

The Street Repair and Replacement Trust Fund ("SRRTF") - established in January 2009, by Ordinance No. 243 - was created to ensure that adequate funding is provided each year to properly maintain the ~ 26.21 miles of Town-owned streets.

During 2014, an updated study of the Town's streets was prepared by Kercher Engineering (as required by the ordinance) and the study was approved at the October 14, 2014 Council Meeting. The Paving study was updated on 02/14/19 and is represented in the FY2024 budget figures with modifications.

The list of planned street rehabilitation and micro-surfacing projects is below.

- ADA Transition Plan

In accordance with the Americans with Disabilities Act of 1990 (ADA), certain public entities are required to complete a transition plan that addresses pedestrian access routes on the public right-of-way. A detailed 2016 Transition Plan was reviewed and approved by the Town Council at its February 14, 2017 meeting. The FY2024 is based on projects currently being planned.

ADA repairs to sidewalks were moved in FY2019 to the operating budget and are reimbursed by the Street Repair & Replacement Trust Fund.

Strategic Plan

The State of Delaware requires that towns participate in comprehensive planning for the purpose of encouraging the most appropriate uses of the physical and fiscal resources of the municipality and the coordination of the municipal growth, development, and infrastructure investment actions with those of other towns, Sussex County and the State. The Town of Ocean View's plan was written to comply with the requirements of a municipal development strategy as described in the Delaware Code for towns with a population greater than 2,000. It is intended to cover a 10-year planning window and be reviewed at least every five years.

The Town Council on Tuesday, March 10, 2020, adopted the Town's 2020 Comprehensive Plan update. **The Plan received a 2020 American Planning Association Small Town Award**, which is presented to an outstanding Comprehensive Plan that addresses the development of a neighborhood, community, county or region. Ocean View's success in receiving this award was its high level of community engagement opportunities provided to get feedback and input, as well as the Town's commitment to the Plan. This accomplishment was followed in November 2021 by the announcement that the **State of Delaware's local chapter of the National Planning Association awarded Ocean View's 2020 Comprehensive Plan update its 2021 Outstanding Planning Project.**

In striving to become a complete community, Ocean View, Delaware, with the support of an involved citizenry, attempted to further define its unique character, by improving connectivity, supporting mixed and efficient uses of land, honoring our history, promoting healthy and engaging environments, focusing on cleanliness and safety and encouraging business diversity and job growth. In short, the future complete Ocean View community will in turn be a place where people desire to live, open a business and be engaged.

The most important considerations identified in the Comprehensive Plan are:

- Exploring strategies for managing growth, both inside and outside of Town boundaries.
- Fostering a stronger sense of community by identifying unique features, encouraging more community events, and possibly acquiring additional community gathering spaces.
- Expanding streetscaping along Route 26 and restricting commercial growth to mainly this corridor.
- Exploring options with other local partners and the state to increase the Town's multi-modal transportation offerings by extending sidewalks/crosswalks/bikelanes and off-road pedestrian corridors throughout Town.
- Examining an array of transportation options to get visitors and residents to the beach safely.
- Protecting invaluable natural and recreational resources and assets such as the Assawoman Canal and Trail.

The Community Vision Statement is based on comments and suggestions received during the public outreach process, as well as deliberation by the Comprehensive Plan Advisory Committee. They developed the following vision:

Ocean View: Embracing our history, managing our growth, and working together to become a complete community.

Achieving the Objectives - Short-term and Long-term Goals

The Town of Ocean View will implement the plan and ensure that current and future projects align with the established objectives and will work closely with the entities and all other organizations that have a community or economic impact on the Town. Future planning efforts will build upon the goals and vision established within the document. Therefore, the Comprehensive Land Use Plan is fully integrated into the Town's current planning initiatives, leading to a long-lasting impact and implementation.

The Town has myriad tools at its disposal, such as the Route 26 Design Guidelines, the Historical Society and an active community. Each of the Plan's recommendations has been compiled and labeled as either a 'short-term' or 'long-term' goal and is reviewed periodically. The 2020 Certified Copy of the Comprehensive Plan is located on the Town's website.

Short-term Factors

There are many short-term factors that influence the development of a budget. The main factors that influenced the Town's FY2024 budget include inflation, delivery delays and the Town's 5-year reassessment.

Inflation

Inflation is a concern when developing a budget. The CPI-U which is used to monitor inflation had a 6.393% change from December 31, 2022. The CPI-U is used to set the pay scale for the Town Council and Mayor as well as to help determine increases in expenditures that may be needed, such as fuel, construction supplies and utilities.

Inflation is affecting all aspects of the budget including salaries and projects associated with the Capital Improvement Plan. Original estimates of projects are now being reviewed and revised based on current costs.

Vehicle Delivery Delays

Over the past several years there have been vehicle delivery delays associated with the replacement of primarily police vehicles (up to eighteen months). Our capital program funds the regular replacement of all vehicles in rotation associated with their age, idling times, safety, performance, and reliability, as well as increased maintenance costs as vehicles age.

The adopted Capital Improvement Plan for fiscal years 2023 to 2027 included the purchase of four (4) police vehicles so that staggered order dates could accommodate for the delays. Two (2) vehicles were ordered in the spring of 2022 as well as the other two (2) vehicles being ordered in the fall of 2022.

Property Reassessment

The Town conducted a revaluation of all tax properties located in the Town's corporate boundaries in accordance with the Town Charter that requires a reassessment every five years. These new assessed values were used for the Town's Fiscal Year 2023 property tax bills that were mailed in late May 2022. The town last reassessed properties in 2017 and these values were used for the property tax billings beginning with the fiscal year 2018 property taxes.

The Town contracted with Pearson's Appraisal Services, Inc. to conduct the reassessment. The Town's reassessment was independent and not associated with the reassessment by Sussex County.

As a result of the reassessment, the FY2023 Budget was adopted with the proposed 3 cent tax rate reduction. The tax rate per \$100 assessed value decreased from .2678 to .2378 and was reflected in the May 2022 Real Estate tax bill.

Priorities & Issues

The Town of Ocean View focuses on the following identified issues or priorities, either financial in nature or having an impact on long-range goals. It is our goal to provide adequate services to the residents of Ocean View by continuing to budget conservatively, continuing to eliminate reliance on Transfer Tax and to continue to plan projects that encompass the importance of maintaining a high level of attractions.

Financial Burden

- Continue to fund the Town's pension liability at the actuarial required contribution determined by the State of Delaware Pension Office.
- Maintaining an operating reserve of at minimum two (2) months operating expense with five (5) months being preferred.
- Anticipating future reduction in transfer tax revenue (not relied on for operations but needed to maintain adequate trust fund levels) in relationship to the Town reaching its limit of annexation. This fact impacts our out-year focus by underscoring the importance of maintaining a high level of attraction in relationship to service delivery and livability, including safety, cleanliness, walkability, bike lanes, community events, financial standing, etc. Ocean View will strive to maintain property values and resale interests as it manages this probability.
- Continued planned maintenance of infrastructure including streets, stormwater facilities, buildings, etc.

Long Range Planning

- Completion of sidewalk and bike lane networks which allow for increased walkability / bikeability and less reliance on vehicles.
- Increased open space availability through partnerships with the State of Delaware and other property owners. In FY2023, the Town purchased four (4) acres located on the corner of Muddy Neck and Double Bridges Roads for just this purpose.
- Continue to develop an "Arts" focus in our business district that allows Ocean View to stand out in comparison to surrounding communities.
- Continue to support Ocean View's historic past and corridor, including the Ocean View Historic Society' Coastal Towns Museum, to increase interest in living or maintaining a business within the Town.
- Employee / Council / Boards and Commission recruitment, retention and succession planning.

Personnel Changes

Over the last three (3) fiscal years, the Town has added staff due to an increase in demand for services provided by the Town and with the addition of the SRO at Lord Baltimore Elementary School, an additional officer will be hired in FY2024.

Staffing levels are represented in the table below.

Department	2021	2022	2023	2024	Reason for Change
Adminstration	5	5	5	5	F/T Accountant went P/T and a new F/T Accountant was hired in FY2021.

Public Safety	13	14	14	15	14 Sworn Officers / 1 Administrative Secretary Staffing study in FY2020 suggested the need for two (2) additional officers. One was hired in FY2021 while the 2nd officer was hired in FY2022 with a portion of salary being paid from COPS grant. With the addition of an SRO at Lord Baltimore Elementary School, an additional officer will be hired in FY2024.
Public Works (DPW)	2	2	2	2	In FY2020, DPW went from 4 F/T to 1 F/T with outsourcing of major responsibilities. A P/T was hired in FY2021 and went F/T in FY2022

Pay Scale

The Town of Ocean View has two (2) pay scales as seen below. The first represents administrative employees (80 hour pay period) while the second represents sworn officers (84 hour pay period). The pay scales are adjusted annually based on the December 31st CPI-U for the mid-Atlantic region.

FUND SUMMARIES

The General Fund accounts for all financial transactions and resources for the Town of Ocean View other than those required to be accounted for in another fund (Water System). Revenues in the General Fund are primarily from taxes (property, realty transfer and gross rental receipts), intergovernmental sources and charges for services.

 **General Fund**

The General Fund includes the Town administration, planning, zoning & development, public safety and public works, including capital expense funding for the nonproprietary fund (non-water projects), such as improvements to Town buildings, equipment and vehicles, public works equipment and projects, community events and John West Park improvements.

Summary

The Town of Ocean View is projecting \$6,031,190 of revenue in FY2024 to be available for operations, which represents a 3% increase over the prior year. Budgeted expenditures are projected to increase by 7.2% or from \$5,522,870 to \$5,921,190 in FY2024.

The above totals are revenues and operating expenses only and do not include capital expenditures funded by the General Fund or the transfer to / from the Trust accounts. The shortages must be available from the unassigned fund balance. The operating expenses include Street Repair and Maintenance, which is funded by the Street Repair and Replacement Trust fund (SRRTF).

Revenues by Source

Taxes are the largest revenue source for the General Fund. Taxes include property taxes, realty transfer taxes and gross rental receipts tax. Property tax is the largest of these three revenue sources.

Property taxes continue to increase due to additional improvements and new construction added to the tax roll. Property tax assessments for FY2023 increased 24% over FY2022 due to the required town-wide five-year reassessment. The FY2023 budget included a three (3) cent decrease in the property tax rate. For FY2024, the tax rate set for the FY2023 budget has been maintained at .2378 per \$100 assessed valuation.

Realty transfer tax continues to be a restricted revenue for FY2024, giving no support to the general operations of the Town. Realty transfer tax is restricted to the Capital Replacement Trust (CRTF), Street Repair and Replacement Trust (SRRTF) and the Emergency Reserve Trust (ERTF).

Gross rental receipt tax has shown an average increase of 26% over the past three (3) years and is continuing that trend in FY2023.

Projected 2024 Revenues by Source

Budgeted and Historical 2024 Revenues by Source

For Fiscal Year 2024, the following revenues are transfers out of the General Fund and shown below as non-budgeted revenue:

- Transfer Tax to CRTF, SRRTF and ERTF in the amount of \$1,000,000
- Police Department County Revenue Sharing to FY24 Capital Projects in the amount of \$30,000
- Impact Fees to ESEF in the amount of \$60,000
- Capital Projects (General Fund Pay-Go) in the amount of \$110,000

For Fiscal Year 2024, the following revenues are transferred to the General Fund and shown below as non-budgeted revenue:

- Street and Sidewalk Maintenance from SRRTF in the amount of \$845,000
- Grant award from ESEF in the amount of \$80,000 (awarded to Millville VFD annually) and \$50,000 (police vehicle).

Expenditures by Function

The pie chart below indicates the function (or department) supported by the Town's revenues for the citizens of Ocean View. Public Safety is 39.6% of the town's expenditure. During the year, Public Safety applies for and is awarded many grants which aid in offsetting the expenses associated with public safety although these grants are not budgeted.

DPW (Department of Public Works) includes funding from the Street Repair and Replacement Fund for the purposes of sidewalk and street improvements. For FY2024, \$845,000 has been budgeted.

Expenditures by Expense Type

The pie chart below shows the FY2024 expenditures by category. Salaries and related employee expenses are the Town's largest expenditure category at 55.1% or \$3.26 million. Salaries and related employee expenses were \$2.83 million in FY2023. The 15.1% increase over last year is the result of the 6.393% CPI-U and the addition of an additional officer that has been included as noted in the Budget Message.

The Town of Ocean View Water System is a municipal utility that is fully outsourced to the Private water utility Tidewater. It serves approximately 928 properties within the Town. The system is operated for the Town by Tidewater Utilities and water is provided from Tidewater's wells in the Bethany Bay District. Included in the system are fire hydrants located along streets in the Town's service territory. All properties located within the service territory are required to connect to the system.

In addition, the Town has an operations agreement with Tidewater, to provide meter reading and billing on behalf of the Town's water system. Meters are read quarterly and water bills are mailed in January, April, July and October. Payment is due within 30 days of the billing date. An interest fee of 1.5% of the outstanding account balance will be assessed each month until water charges are paid in full.

Summary

The Town of Ocean View is projecting \$616,030 of revenue in FY2024, which represents a 5.5% increase over the prior year. Budgeted expenditures are projected to increase by 6.1% or \$35,165.

The current 5-year water service agreement expires in April 2023. At the time of the preparation of the Water System budget, Tidewater Utilities, Inc. was in the process of reviewing the agreement and had not yet supplied rates for the upcoming fiscal year. With that in mind, the annual operations & maintenance fee along with the water reading service fee were increased by 5% over the last year.

Fiscal Year 2023 Projected Revenue

The Water Fund's revenue is budgeted based on the number of accounts provided to the Town by Tidewater Utilities.

Quarterly Facilities Charges:	Rate (a)	# of accts (b)	Total
<u>Improved - metered lots</u>			
5/8 " meters	\$ 107.66	789	\$ 84,944

Miscellaneous income			500
Total Projected Revenue			<u>\$ 616,030</u>

Notes:

- (a) The quarterly billing rates were established by Ord. No. 249 and 255 dated May 12, 2009 and September 8, 2009, respectively. At this time, there is no rate increase proposed for FY23.
- (b) The "# of accts" is based on a February 3, 2022 report from TUI/Middlesex that shows the number of accounts being billed for each account type and meter size.
- (c) Annualized Facilities charges (\$105,460 X 4 quarters).
- (d) Estimated water charge is a pass-through of the bulk water purchases.

Note regarding revenue items that are not included in these projections

Revenue and Cost projections do not include items that are a "wash" from a revenue and cost standpoint that do not necessarily occur on an annual basis - e.g. new installations, utility permits & inspection fees for new connections, and additional services such as temporary shut off/turn on, check of meter for accuracy, etc.

Fiscal Year 2023 Projected Costs

The Water Fund's largest expense is the Debt Service, followed by the purchase of water from Tidewater Utilities.

	<u>Annual Projection</u>

Subtotal other operating costs	321,915
Total Operating Costs	380,795
Total Projected Costs	\$ 616,030

Notes:

- (a)** Projected personnel costs are based on FY24 proposed salaries.
- (b)** Includes on going services such as water testing, hydrant maintenance, flushing of mains, meter inspections, valve "exercising", etc.
- (c)** Note that the current Water Service Agreement - Amendment #2 - was effective April 10, 2018. This amendment will expire on April 30, 2023. FY23 is year 5 of the agreement.

Note regarding revenue items that are not included in these projections

Revenue and Cost projections do not include items that are a "wash" from a revenue and cost standpoint that do not necessarily occur on an annual basis - e.g. new installations, utility permits & inspection fees for new connections, and additional services such as temporary shut off/tum on, check of meter for accuracy, etc.

Debt

In August 2018, the Town issued general obligation bonds to advance refund two 2007 USDA loans used to finance a portion of the water distribution system. The \$4,160,000 bonds were sold at a premium of \$30,212 with a true interest rate of 3.445%, resulting in a savings of \$349,759 over the life of the debt.

The issuance did not extend the life of the debt with a final payment due September 15, 2047. As a result of the refunding, the 2007 USDA loans have been defeased. This debt is backed by full faith and credit of the Town of Ocean View, although revenues from the water utility are being used to pay the debt service. The Town has an AA+ bond rating by S&P Investment Services.

The general obligation bond series of 2018 are payable in semi-annual payments in March (interest only) and September (principal and interest). The total amount of outstanding general obligation bonds payable at April 30, 2022 was \$4,091,627.

Debt service requirements on long-term debt at April 30, 2021 are as follows:

Property Tax Revenue

The current tax rate is .2378 per \$100 assessed valuation. We have proposed no change to the rate for the upcoming budget year. The FY2024 taxes are projected based on the total assessed values updated as of December 31, 2022.

One cent is equal to approximately an increase or decrease of \$138,448 in tax revenue.

At the January 10, 2023 Council meeting, Council recommended that the town continue to grant a 1% discount for early payment of property taxes or \$32,925.

Realty Transfer Tax Revenue

Realty Transfer Tax are restricted and fund the Capital Replacement Trust (CRTF), Street Repair & Replacement Trust (SRRTF) and the Emergency Reserve Trust (ERTF)

At the January 10, 2023 Council meeting, Council recommended that the Town continue to eliminate reliance on transfer tax. The CRTF (ordinance 304) is funded with 12.5% of the collected transfer tax, the SRRTF (ordinance 303) is funded with 25% of the transfer tax and the ERTF (ordinance 339) is funded with transfer tax with the balance to be maintained at 20% of the annual operating budget.

With the Town reaching its limit of annexation, the realty transfer tax will be transitioning from mostly the sale of new homes to the sale of existing homes which with rising interest rates has started to stall. With this in mind, the realty transfer tax revenue has been reduced from last fiscal year as shown in the below chart.

Gross Rental Receipt Tax Revenue

Gross rental receipt tax revenue projections are based on trends in prior year collections. The gross rental receipt tax revenue has increased an average of 26% over the last three (3) fiscal years.

For fiscal year 2024, we have budgeted \$601,140.

Intergovernmental Summary

Intergovernmental revenue is made up of monies from other governmental agencies, including grantor for general financial support. The town budgets for only those grants that can be reasonably estimated and that have been consistently received. Other grants, that are non-budgeted, are applied for and awarded during the fiscal year to offset Police Department overtime, training, and supplies.

The significant increases in fiscal years 2022 and 2023 are the two (2) installments of the American Recovery Plan (ARPA) grant in the amount of \$591,170 each.

Charges for Services Summary

Charges for Services are collected by the Town of Ocean View. These services include licenses, reimbursable fees and permits or building-related fees.

With the Town reaching its limit of annexation, building-related fees will be decreasing as the Town transitions from permits for new home construction to permits for maintenance or improvements of existing homes. With this in mind, we have conservatively budgeted for 20 new home permits in fiscal year 2024 which is a 50% decrease from fiscal year 2023.

Charges for Services Revenue

Shown as Charges for Services revenue, the Ambulance Fee is a pass-thru to Millville Volunteer Fire Company. Included on the property tax bill is a separate line item for \$35.00 which represents a discount from the MVFC's usual \$50.00 donation request. This service covers the property owners, occupants, renters, visitors or employees of a business entity on the property identified on the tax bill.

Early in 2016, the Millville Volunteer Fire Company requested the Town of Ocean View to assess a fee of \$35.00 per taxpayer to assist in providing financial support in order to maintain the existing ambulance service and to incorporate a permanent second shift so as to have 24 hour ambulance service availability seven days a week. After much consideration and discussion at public meetings, the Town Council agreed in November 2016 to institute an annual fee of \$35.00 per improved property and businesses within the Town of Ocean View starting with fiscal year 2018 tax billing. The agreement was for a period of three (3) years and extended in February 2020 for an additional three (3) years.

Other items such as Professional Reviews and Property Maintenance Violations are for services expensed by the Town and reimbursed by the contractor or property owner. These revenues do not support the Town's operating expenses as well as a portion of the Impact Fee that is transferred to the Emergency Services Enhancement Fund (ESEF).

Notes

- (a) Deposits are made each month to the SRRTF based on the level of Transfer Taxes collected. Ord. No. 303 (adopted May 14, 2013) provides the 25% of total transfer taxes collected are to be used to fund the SRRTF.
- (b) During the preparation of the FY17 & FY18 Budget, Town Council confirmed that the Town should continue to reduce the amount of Transfer Tax collections applied to operations to (i) accumulate additional funds for infrastructure projects and (ii) gradually wean the Town from the use of this tax for operations.

Beginning with FY19 Town Council confirmed that the Town remove all reliance on Transfer Tax collections in order to build necessary reserves while the revenue stream is still strong, with the expectation that in the foreseeable future the Town will see a steep decline in these funds.
- (c) Interest income is projected based on the beginning of the fiscal year balance.

The current interest rate estimate is - 0.50%
- (d) Projected expenditures are based on the following studies completed by Kercher Engineering ("KEI"):
FY19 Pavement Management Study provided by KEI on February 14, 2019
- (e) Engineer's costs for construction project management (design, bidding process, construction inspections, etc.) were provided by Kercher Engineering ("KEI").

As of 12/31/2022, the Trust has \$1,155,429 with \$812,435 available for use in WSFS Business Money Market and 341,994 invested with WSFS in the form of a 12-month, 1.9% CD that will come due on 8/31/2023.

Notes

(a) Deposits are made each month to the CRTF based on the level of transfer taxes collected. Ordinance No. 304 adopted effective May 14, 2013, provides that 12.5% of total transfer tax collections are to be used to fund the CRTF.

(b) Interest income is projected based on the beginning of the fiscal year balance.

The current interest rate estimate is - 0.50%

(c) Projected Capital Expenditures are based on the April 5, 2019, review of the Town's capital assets titled "Reserve Study" prepared by Bob Wheatley of The Whayland Group, LLC. The expenditures projected by Mr. Wheatley in this study were inflated at the rate of 3% per year.

It should be noted that the timing of certain projects included in the approved study have been adjusted. Some projects have been accelerated, while others have been delayed because repair and/or replacement is not deemed necessary as of the current budget year. Due to the shifting of certain projects, FY24-28 are based on the capital budget under review.

(d) Note that effective with the FY19 budget, the expenditure of CRTF fund changed from being limited to those cases when the repair or replacement cost exceeds \$1,500 to costs exceeding \$2,500.

The Emergency Reserve Trust is funded at just under 20% of the FY23 Operating Budget due to the drop in interest rates over the past 12 months.

As of 12/31/2022, the Trust has \$1,034,133 with \$725,372 available for use in Fulton Bank Government Interest Money Market and \$308,761 invested with Raymond James Financial Services. Funds above \$250,000 will be transferred to Raymond James for investing according to the Town's Investment policy once any FY2023 needs, if any, are determined.

Notes

(a) The ERTF was established in 2007 by Ordinance No. 212. When the Street Repair & Replacement Trust Fund was established in 2009, that ordinance provided that future deposits from Transfer Tax collections should be used to "fund" the SRRTF instead of the ERTF.

(b) Interest income is projected based on the beginning of the fiscal year balance.

The current interest rate estimate is -

0.50%

(c) Note that Town Code Sec. 14-3 D "Method of Funding" (Ord. No 278 adopted on 05/17/11) provides that the ERTF shall be funded by "appropriations from the annual operating budget to maintain the ERTF at \$275,000".

Ordinance No. 339 adopted on 5/9/17 revises the balance to be maintained to 20% of the current operating budget and shall be funded through excess transfer tax revenues, with FY22 being when the balance must be met and maintained.

(d) Columns **(d)** and **(e)** represent the budgeted amount whether adopted or proposed in the

(e) fiscal year draft of the Operating Budget and the required balance to maintained for each fiscal year.

DEPARTMENTS

Administration

Carol S. Houck
Town Manager

The Town Administration includes the Town Manager and her staff. The Town Manager is appointed by the Mayor and Council and serves at the pleasure of the Mayor and Council. The role of the Town Manager is to be the Chief Executive Officer of the Town and to supervise the day-to-day operations of all the departments of Town Government. The Town Manager is charged with developing the annual and long-range capital improvement budgets. She is assisted by four (4) department division heads - including the Director of Finance, Director of Planning & Zoning, Public Works Manager and the Chief of Police.

The administrative department oversees all finance operations, records management, human resources management, Town Clerk duties, financial oversight of the municipal water system, website and advertising, event management, budgeting and tax collection.

Finance

Dawn Mitchell Parks
Director of Finance

The Finance Department is responsible for all Ocean View financial operations including general accounting and reporting, accounts payable, payroll, property tax billing and collection. The department also coordinates the development of the Town's annual operating and capital budgets and works with the independent auditors during the annual audit and the preparation of the Town's annual financial statements. The Finance Director reports directly to the Town Manager.

Expenditures Summary

Administration expenditures have increased \$88,165 or 7.32% over the prior year.

In FY2021, the Department of Planning & Zoning was removed from the Administration Budget, becoming a separate department, as reflected in the chart below.

The increase in FY2022 is in association with the increase in the Property Assessment line as a result of the full-town reassessment that was completed in December 2022 for the FY2023 real estate tax billing.

The FY2024 significant increases are related to community events such as adding a Spring event and increased costs for other events such as Cops and Goblins.

Planning & Zoning

Ken Cimino

Director of Planning, Zoning and Development

The Planning and Development Division handles all aspects of the Town's infrastructure, building environment, codes, and property maintenance, as well as rental properties. The division is led by the Planning and Development Director, with support from a Planner, a Code Enforcement/Licensing Assistant, a Code Enforcement Officer and an Admin. Assistant/Receptionist, in addition to a consulting Town Engineering Firm. The Planning and Zoning Director is the staff liaison to the Planning Commission. The Planning and Development Director reports directly to the Town Manager.

Expenditures Summary

Planning & Zoning expenditures increased by \$66,790 or 9.53% over the prior year.

In FY2021, the Department of Planning & Zoning was removed from the Administration budget, becoming a separate department, as reflected in the chart below.

The FY2024 significant increases are related to professional service contracts and supplies and maintenance.

Public Works

Jerrad Steele
Public Works Manager

The Maintenance and Public Works division oversees outsourced contractual relationships with various companies for the efficient provision of turf management, landscaping, facility maintenance, etc. In addition, this division is made up of the Public Works Manager and a full-time assistant that complete daily maintenance and oversight of all town facilities including parks, right of ways, storm water facilities, etc. Sign maintenance and installations, oversight of snow removal operations, interaction with outsourced water utility representatives and special program assistance are also the responsibility of this division. Public Works provides support for all community events. The Public Works Manager reports directly to the Town Manager.

Expenditures Summary

Public Works expenditures decreased \$86,400 or 5.40% from the prior year.

The significant decrease in FY2024 is related to sidewalk repairs with the completion of the Savannah's Landing Sidewalk repair project.

\$1,514,545 **-\$86,400**
(-5.40% vs. prior year)

Public Works Proposed and Historical Budget vs. Actual

The Department of Public Works budget includes street maintenance (\$745,000) and sidewalks (\$100,000). Projects under these categories are developed and overseen by the Director of Planning & Zoning and are funded by the Street Repair & Replacement Trust and Municipal Street Aid.

Expenditures by Expense Type

Budgeted Expenditures by Expense Type

Public Works salaries and benefits consist of one (1) full-time employee and one (1) vacancy.

Proposed Capital Improvement Program for Fiscal Years 2024 - 2028
May 1, 2023 to April 30, 2028.

The five-year Capital Improvement program is an important tool that assists the Town in its long-range goals. Each year, the program is reviewed and re-evaluated. The first year of the program was considered when creating the FY2024 Capital Budget and is subject to appropriations during the 2024 Operating and Capital Budget process. The remaining years serve as a guide for future improvements, their cost and sources of funding.

Below is a summary of the five-year Capital Improvement Program. The narrative of each project is located in the Appendix with the page number noted on the summary.

PUBLIC SAFETY REQUESTS

Replacement of Police Vehicles

Overview

Request Owner	Dawn Parks
Department	Public Safety
Type	Capital Improvement
Project Number	PS1

Description

The request includes the base price of the vehicles as well as the after-market outfitting. The vehicle will replace P-14 which will become a reserve vehicle. The oldest reserve will then be sold at auction.

The FY24 budget consists of the purchase of one (1) police vehicle taking delivery in late FY24 or early FY25; two (2) replacements in FY25, 26, 27 and 28. The vehicle will be purchased with \$30K from Sussex County as well as \$50K from the Emergency Services Enhancement Fund (ESEF).

Phase V Sidewalks (Woodland Avenue)

Overview

Request Owner	Dawn Parks
Department	Planning & Zoning
Type	Other
Project Number	PZ21

Description

The Phase 5 connectivity project will provide a safe path along Woodland Avenue from Hudson Avenue to Daisey Avenue. Design was originally scheduled for FY25 with construction scheduled for FY26 but was brought forward to FY23.

This project includes the reconstruction of 1/2 mile of Woodland Avenue to add drainage features to both sides of the roadway, addressing concerns regarding standing water in the roadway. The project will also include the construction of 1/2 mile of new sidewalk along the west side of Woodland Avenue, enhanced crosswalks, pavement markings and new signage.

This is the longest segment of the 6 sidewalk connectivity and pedestrian safety projects.

Description

Intersection reconstruction project and drainage improvements. The project was originally scheduled for FY 2023 for project design and FY 2024 for construction. The project was moved forward and construction costs are estimates that will be revised once the project design is completed. This project was combined with the Daisey Avenue sidewalk connectivity project which was projected to cost approximately \$318K. The Town is anticipating the awarding of the Transportation Alternatives Program (TAP) grant which will reimburse the Town up to 80% of the engineering and construction costs (approximately \$473,600). The Street Repair and Replacement Trust Fund will be reimbursed for the amounts received from the grant.

John West Park - Capital Repairs

Overview

Request Owner	Dawn Parks
Department	Administration
Type	Capital Improvement
Project Number	CRTF4

Description

The repairs and maintenance are based on the 2019 Reserve Study for John West Park. The reserve study identifies out-yearly costs of known and recurring infrastructure needs. This detail is then used to assist in determining the funding allocated for/sent to the Capital Reserve Trust Fund (CRTF).

The FY24 items are intended to be funded accordingly from the CRTF. Contingency represents inflation as noted in the 2019 Reserve Study.

FY24 highlights include John West Park playground improvements such as: Tall tower climbing & slide unit (or other suitable equipment), installation, & new safety surface. This will coincide with the removal & possible relocation of passive exercise equipment to the trail area where the exercise equipment is now located and the creation of a fully inclusive play area with accessible surfaces and improved accessibility from the adjacent parking area. Funds to accomplish these improvements include planned funding from FY21 - \$59,850; FY22 - \$31,000; and FY23 - \$71,500. The total anticipated cost for the playground upgrade & accessibility project is \$500,000. Funds from the American Rescue Plan Act (ARPA) will be used to supplement the funding from CRTF. The project may require multi-year phasing.

Bonded Debt: The total amount owed by the Town as a result of the sale of general obligation or other bonds guaranteed by the Town.

Bond Issue: The sale of a certain number of bonds at one time by the Town.

Bond Rating: A credit rating assigned to a municipality to help investors assess the future ability, legal obligation, and willingness of the municipality (bond issuer) to make timely debt service payments. Stated otherwise, a rating helps prospective investors determine the level of risk associated with a given fixed-income investment. Rating agencies, such as Moody's and Standard and Poors, use rating systems, which designate a letter or a combination of letters and numerals where AAA is the highest rating and C1 is a very low rating.

Budget: A plan of financial operations for a given period of time providing estimates of proposed expenditures and the proposed means of financing them.

Budget Ordinance: The ordinance that levies taxes, sets the tax rate and appropriates revenues for specified expenditures (purposes, functions, activities, or objectives) during a fiscal year.

C

Capital Asset: Property, plant, equipment, and infrastructure assets.

Capital Expenditure: Money spent by the Town to purchase a capital asset such as property, plant, equipment, and infrastructure assets. To be considered a capital asset, the purchase must be over \$5,000.

Capital Outlay: An expenditure for the acquisition cost of capital assets, such as equipment, or expenditures to make improvements to capital assets that materially increase their value or useful life.

Capital Projects: A plan to build and/or purchase property, plant, equipment, and infrastructure assets.

Capital Projects Fund: Account for financial resources to be used for the acquisition or construction of major capital facilities.

Capital Reserve Trust Fund: Funds accumulated that shall only be expended for the repair and replacement of capital assets or improvements determined by a majority of the Town Council and funded by 12.5% of Realty Transfer Tax collected.

CARES Act: Coronavirus Aid, Relief and Economic Security Act

Certificate of Deposit (CD): A bank deposit evidenced by a negotiable or non-negotiable instrument, which provides on its face that the amount of such deposit plus a specified interest payable to a bearer or to any specified person on a certain specified date, at the expiration of a certain specified time, or upon notice in writing.

Commercial Paper: A short-term unsecured promissory note issued by companies

Comprehensive Land Use Plan: A long range plan that guides policy and land use decisions.

Connection Fee: Fee charged to access a central water system to pay for the infrastructure cost that provided the capacity.

Consumer Price Index: The statistical measure of changes, if any, in the overall price level of consumer goods and services. The index is often called the "cost-of-living index."

Contingency: Budget account in which funds are set aside for unseen expenditures which may become necessary to use during the year.

Cost-Benefit Analysis: A decision-making tool that allows a comparison of options based on the level of benefit derived and the cost to achieve the benefit from different alternatives.

COVID-19: a mild to severe respiratory illness that is caused by coronavirus.

CRTF: Capital Reserve Trust Fund

CPI_U: Consumer Price Index - Urban

CY: Calendar Year

D

DE: Delaware

Debt: Duty or obligation to pay money, deliver goods, or render services under an express or implied agreement.

Debt Service: The repayment cost, usually stated in annual terms and based on an amortization schedule, of the principal and interest on any particular bond issue.

DEMA: Delaware Emergency Management Agency

DELDOT: Delaware Department of Transportation

Department: A Town agency or office.

Depreciation: Annual loss of value of equipment or other asset. This is not a budgeted item, but will show in the actual audited numbers.

DPW: Department of Public Works

E

Economic Development: The creation of wealth from which community benefits are realized. It is an investment in growing your economy and enhancing the prosperity and quality of life for all residents.

EDU: Equivalent Dwelling Unit

Emergency Reserve Trust Fund: Funds in addition to emergency appropriations funded annually during the budget process (not less than 20% of the current operating budget). These funds are for use during natural disasters, public emergencies or during periods of reduced revenue.

Emergency Services Enhancement Fund: Funding program established to award annual grants to volunteer fire services or other organized providers of fire protection and emergency services. Funded by one half of one percent (.5%) of the construction value of building permits and \$500 of the \$1,936 Impact Fee.

Employment costs: The total expense of employment. This cost includes salary, overtime, FICA, health, pension, life insurance, unemployment, workers' compensation, and disability insurance.

Encumbrance: A reservation of funds to cover obligations arising from purchase orders, contracts, or other commitments that are chargeable to, but not yet paid from, a specific appropriation account.

Enterprise Fund: A separate accounting and financial reporting mechanism for municipal services for which a fee is charged in exchange for goods or services. It allows a community to demonstrate to the public the portion of the total cost of a service that is recovered through user charges and the portion that is subsidized by the tax levy, if any. With an enterprise fund, all costs of service delivery--direct, indirect, and capital costs—are identified. This allows the community to recover total service costs through user fees if it chooses. Enterprise accounting also enables communities to reserve the "surplus" or net assets unrestricted generated by the operation of the enterprise rather than closing it out to the general fund at year-end. Services that may be treated as enterprises include, but are not limited to, water, sewer, hospital, and airport services.

Equalized Valuations (EQVs): The determination of the full and fair cash value of all property in the community that is subject to local taxation.

Equities: Investments that are stocks and shares in a company.

Equivalent Dwelling Unit (EDU): An arbitrary term used to express the load-producing effects on the water system and/or sewer system caused by one average-sized residential dwelling.

ERTF: Emergency Reserve Trust Fund

ESEF: Emergency Services Enhancement Fund

Estimated Receipts: A term that typically refers to anticipated local revenues often based on the previous year's receipts and represents funding sources necessary to support a community's annual budget.

Expenditure: An outlay of money made by the Town to provide the programs and services within their approved budget.

Expense/Expenditure: The cost required for something.

F

Fiduciary Funds: Repository of money held by a municipality in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and other funds. These include pension (and other employee benefit) trust funds, investment trust funds, private- purpose trust funds, and agency funds.

Fiscal Responsibility: The ability to balance between government spending and tax to maintain sustainable public finances and ensure fiscal policy aids the optimal rate of economic growth.

Fiscal Year (FY): An accounting period covered by the Town's budget. Ocean View's fiscal year commences May 1st and ends the following April 30th.

Fixed Assets: Long-lived, assets such as buildings, equipment and land obtained or controlled as a result of past transactions or circumstances.

Fixed Costs: Costs that are legally or contractually mandated such as retirement, FICA/Social Security, insurance, debt service costs or interest on loans.

Full Faith and Credit: A pledge of the general taxing powers for the payment of governmental obligations. Bonds carrying such pledges are usually referred to as general obligation or full faith and credit bonds.

Full-Time: Status of an employee whose combined weekly hours total at least 40 hours.

Function: The primary role of the department in the Town government.

Fund: An accounting entity with a self-balancing set of accounts that are segregated for the purpose of carrying on identified activities or attaining certain objectives in accordance with specific regulations, restrictions, or limitations.

Fund Accounting: Organizing financial records into multiple, segregated locations for money. A fund is a distinct entity within the municipal government in which financial resources and activity (assets, liabilities, fund balances, revenues, and expenditures) are accounted for independently in accordance with specific regulations, restrictions or limitations. Examples of funds include the general fund and enterprise funds.

Fund Balance: The difference between assets and liabilities in governmental funds. The balance in this account is the cumulative results of actual revenues and expenditures over time.

Funding Sources: Financial resources used to support expenses.

FY: Fiscal Year

G

GAAP: Generally Accepted Accounting Principles - A set of rules that encompass the details, complexities, and legalities of business and corporate accounting.

GASB: Governmental Accounting Standards Board

General Fund: The fund used to account for most financial resources and activities governed by the normal appropriation process.

General Obligation Bonds: Bonds issued by a municipality for purposes allowed by statute that are backed by the full faith and credit of its taxing authority.

GF: General Fund

GFOA: Government Finance Officers Association

Governing Body: A board, committee, commission, or other executive or policymaking body of a municipality or school district (Ocean View Town Council).

Government Finance Officers Association: represents public finance officials throughout the United States and Canada. The association provides training and educational opportunities, recommended practices and GASB interpretations to finance officials and support staff.

Governmental Fund: Account to track the government's activities that are primarily tax-supported.

I

Indirect Cost: Costs of a service not reflected in the operating budget of the entity providing the service. An example of an indirect cost of providing water service would be the value of time spent by non-water department employees processing water bills. A determination of these costs is necessary to analyze the total cost of service delivery. The matter of indirect costs arises most often in the context of enterprise funds.

Infrastructure: The structures that support the Town, such as roads, water facilities, communication, etc.

Interest: Compensation paid or to be paid for the use of money, including amounts payable at periodic intervals or discounted at the time a loan is made. In the case of municipal bonds, interest payments accrue on a day-to-day basis, but are paid every six months.

Interest Rate: The interest payable, expressed as a percentage of the principal available for use during a specified period of time. It is always expressed in annual terms.

Interfund Transfer: Type of transaction in which a fund transfers resources to another fund.

Intergovernmental Revenue: Revenues from other governments (County, State or Federal).

Investments: Securities and real estate held for the production of income in the form of interest, dividends, rentals or lease payments. The term does not include fixed assets used in governmental operations.

IT: Information Technology

L

Liability: Loan, expense, or any other form of claim on the assets of an entity that must be paid or otherwise honored by the entity.

Line Item Budget: A budget that separates spending into categories, or greater detail, such as supplies, equipment, maintenance, or salaries, as opposed to a program budget.

M

Maturity Date: The date that the principal of a bond becomes due and payable in full.

Misc: Miscellaneous

Modified Accrual Accounting: The accounting method under which revenues are recognized in the period they become available and measurable, and expenditures are recognized in the period the associated liability is incurred.

Municipal(s): (As used in the bond trade) "Municipal" refers to any state or subordinate governmental unit. "Municipals" (i.e., municipal bonds) include not only the bonds of all political subdivisions, such as cities, towns, school districts, special districts, counties but also bonds of the state and agencies of the state.

Mutual Funds: A financial vehicle made up of a pool of money collected from many investors to invest in securities

N

Note: A short-term loan, typically with a maturity date of a year or less.

O

Objects of Expenditures: A classification of expenditures that is used for coding any department disbursement, such as "personal services," "expenses," or "capital outlay."

Obligations: Debt or commitment of an entity

Operating Budget: A plan of proposed expenditures for personnel, supplies, and other expenses for the coming fiscal year.

Ordinance: The regulation adopted by Town Council.

Other Funding Source: The revenue source that is made up of transfers from other funds or use of savings.

P

P&Z: Planning and Zoning

Pay-Go: Meeting of costs as they arise mostly from General Fund. Also known as Pay-as-you-go.

PD: Police Department (Public Safety)

Principal: The face amount of a bond, exclusive of accrued interest.

Program: A combination of activities to accomplish an end.

Program Budget: A budget that relates expenditures to the programs they fund. The emphasis of a program budget is on output.

Proprietary Fund: A fund used in governmental accounting to account for activities that involve business-like interactions.

Purchased Services: The cost of services that are provided by a vendor.

R

Rd: Road

Realty Transfer Tax (RTT): A tax that is levied on the transfer of ownership of real property from one entity to another. The County collects 1.5% of the value of a transfer for the Town.

Reassessment: The periodic process to reevaluate property values.

Refunding of Debt: Transaction where one bond issue is redeemed and replaced by a new bond issue under conditions generally more favorable to the issuer.

Reserves: An amount set aside annually within the budget of a town to provide a funding source for extraordinary or future use, otherwise known as savings.

Revaluation: The assessors of each community are responsible for developing a reasonable and realistic program to achieve a fair cash valuation of property in accordance with constitutional and statutory requirements. The nature and extent of that program will depend on the assessors' analysis and consideration of many factors, including, but not limited to, the status of the existing valuation system, the results of an in-depth sales ratio study, and the accuracy of existing property record information.

Revenue: Monies received by the Town to support its budget and enable the employees to provide services needed by the public. Property taxes, gross rental receipt tax, building permits, and receipts from state and federal sources are examples.

Revenue Sources: Financial resources used to support expenditures.

RTT: Realty Transfer Tax

S

SRRTF: Street Repair and Replacement Trust Fund

Street Repair and Replacement Trust Fund: Funds accumulated that shall only be expended on the repair and replacement of streets, drainage and sidewalks as determined by a majority of the Town Council and funded by 25% of Realty Transfer Tax collected.

Surplus Revenue: The amount by which cash, accounts receivable, and other assets exceed liabilities and reserves.

Sustainability: Meeting the needs of the present without compromising the ability of future generations to meet their needs.

T

Tax Rate: The amount of property tax stated in terms of a unit of the municipal tax base; for example, \$.2378 per \$100 of assessed valuation of taxable real and personal property.

Taxable assessments: The value of property used to calculate property taxes.

Transfers In: Financial inflows from other funds of the government reporting entity.

Transfers Out: Financial outflows to other funds of the government reporting entity.

Trust Fund: As custodian of trust funds, the treasurer invests and expends such funds as stipulated by trust agreements, as directed by the commissioners of trust funds or by the community's legislative body. Both principal and interest may be used if the trust is established as an expendable trust. For nonexpendable trust funds, only interest (not principal) may be expended as directed.

U

Undesignated Fund Balance: Monies in the various government funds as of the end of the fiscal year that are neither encumbered nor reserved and are therefore available for expenditure once certified as part of free cash.

Unfunded Liability: The government's obligation to pay a future benefit.

Unreserved Fund Balance: The amount by which cash, accounts receivable, and other assets exceed liabilities and restricted reserves. It is akin to a "stockholders' equity" account on a corporate balance sheet. It is not, however, available for appropriation in full because a portion of the assets listed as "accounts receivable" may be taxes receivable and uncollected.

Unrestricted Funds: Funds with no restrictions imposed by entities outside the County

V

Valuation (100 Percent): The legal requirement that a community's assessed value on property must reflect its market, or full and fair cash value.

W

Water Fund: The fund that accounts for the water operations that are financed and operated in a manner similar to private business enterprises, where the intent is that costs of providing goods or services are recovered primarily through water user and service charges.
