TOWN OF OCEAN VIEW
EMERGENCY SERVICES ENHANCEMENT FUNDING PROGRAM**

Name of Organization: Millville Volunteer Fire Company Inc.

Address: 35554 Atlantic Avenue, Millville DE 19967

Name of Contact Person: Gregory Hocker

Phone No. (302) 539-9535 **Cell** (302) 542-5812

Fax: (302) 539-7319

Email: gwhocker@millville84.com

Website: www.millville84.com

Mission Statement:

The Millville Volunteer Fire Company is a 501©4 community nonprofit organization in its 88th year providing Fire and Rescue services and 63rd year of providing Emergency Medical Services to the Town of Ocean View as well as the Town of Millville and other unincorporated areas that make up the Millville Fire District. It is the Mission of the MVFC to provide the highest level of life saving services to the communities we serve.

Currently, the company operates out of two stations, the headquarters being at 35554 Atlantic Avenue and the sub-station being at 34237 Omar Road in Clarksville. The Company has 90 active members as well as 15 full-time career Fire/EMS employees. The MVFC operates three engine companies (pumpers), a rescue/engine, a straight tanker (4,000 gallons of water), a brush truck, two utility vehicles, four BLS units (ambulances), 24-foot rescue boat and a command vehicle. The MVFC handled 2,603 Emergency Medical Service calls in 2023 with 1,544 transports. In addition, we handled 498 fire/rescue calls for the same time period.

History:

The MVFC has always had a close working relationship with the Town of Ocean View by being the primary provider for Fire/Rescue and Emergency Medical Services since our organization was founded in 1936. The MVFC participates in the town's events as well as with the Town of Ocean View Police Department. The MVFC has worked closely with the Ocean View Police Department in preparing emergency plans for the Lord Baltimore Elementary School. Joint training was also conducted with the police department to prepare for an active assailant scenario. Each year in October the MVFC educates local school children by participating in the National Fire Prevention Week at Lord Baltimore. This week long event allows firefighters to speak to children about fire safety in the home, dialing 911, exit drills in the home, dangers of playing with matches, Stop Drop and Roll, as well as how to use fire extinguishers and kitchen safety.

Number and Type of Service Calls to Ocean View:

The Millville Volunteer Fire Company, Inc. responded to 91 Fire/Rescue calls and 354 Emergency Medical Services calls, for a total of 445 calls in the Town of Ocean View last year.

Project:

The Millville Volunteer Fire Company Inc. is requesting \$80,000 in assistance from the Town of Ocean View's Emergency Enhancement Fund in order to purchase a 2023 Ford Transit 15 passenger Van. The van will be an addition to our fleet. Our current van will continue to be utilized to transport members to Delaware State Fire School for training. The new addition will be utilized for attending state and county meetings and attending memorial services. This will allow the separation of the carcinogen on the fire gear to our members during more formal events. We would equip the van with an Lifepack 3000 AED, lettering and striping to identify the van as MVFC, a portable radio charger to allow the radio to be removed and walked to the scene of an accident. We will also need a Kussmaul charger to support the portable radio.

Ford Van 15 passenger	\$57,900.00
Lettering	\$ 3,000.00
Kussmaul Charger	\$ 1,000.00
Radio charger	\$ 1,000.00
AED Lifepak 1000	\$ 2,500.00

Total Cost	\$65,400.00
------------	-------------

The second part of the Project will be to assist with communication with our volunteer members. Each volunteer member is provided a pager to assist them with responding to active alarms. These pagers are vital as cell phone service in our area is not reliable during business season. Lastly, each of our ambulances are equipped with a tablet/ipad to obtain patient signatures for treatment and filing the billing reports. These tablets are a Toughbook as they are more durable with our line of work.

2 Tablets for Ambulances	\$ 3,000.00
10 mics for portable radios	\$ 5,000.00
10 pagers for volunteers	\$ 6,000.00
Pager batteries	\$ 600.00

Subtotal for communications	\$14,600.00
-----------------------------	-------------

Total for all projects	\$80,000.00
------------------------	-------------

Summary:

As a 501 (c) 3 Community Non-Profit Organization we rely on donations, grant money, as well as state and county funding to help us meet our goals. The Millville Volunteer Fire Company would struggle to purchase vital equipment and improvements without the assistance of the town. These capital improvements will enhance our operations, protect the citizens of Ocean View and keep enhancement money directly within the town where it is best utilized.

California Air Resources Board

Flexible Fuel Vehicle (Gasoline/Ethanol (E85))

Environmental Performance

These ratings are not directly comparable to the U.S. EPA/DOT light-duty vehicle label ratings. For information on how to compare, please see www.arb.ca.gov/lep_label.

Protect the environment. Choose vehicles with higher ratings.

Greenhouse Gas Rating (tailpipe only)

Smog Rating (tailpipe only)

Using alternative fuels may change scores.

Vehicle emissions are a primary contributor to climate change and smog. Ratings are determined by the California Air Resources Board based on this vehicle's measured emissions.

GOVERNMENT 5-STAR SAFETY RATINGS

Overall Vehicle Score

Based on the combined ratings of frontal, side and rollover. Should ONLY be compared to other vehicles of similar size and weight.

Frontal	Driver	Passenger	Side	Rear seat
★ ★ ★	★ ★ ★	★ ★ ★	★ ★ ★	★ ★ ★

Based on the risk of injury in a frontal impact. Should ONLY be compared to other vehicles of similar size and weight.

Crash	Front seat	Rear seat
★ ★ ★	★ ★ ★	★ ★ ★

Based on the risk of injury in a side impact.

Rollover ★ ★

Based on the risk of rollover in a single-vehicle crash.

Star ratings range from 1 to 5 stars (★ ★ ★ ★ ★) with 5 being the highest. Source: National Highway Traffic Safety Administration (NHTSA). www.safercar.gov or 1-888-327-4236

WARNING: Operating, servicing and maintaining a passenger vehicle, pickup truck, van, or off-road vehicle can expose you to chemicals including engine exhaust, carbon monoxide, phthalates, and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize exposure, avoid breathing exhaust, do not idle the engine except as necessary, service your vehicle in a well-ventilated area and wear gloves or wash your hands frequently when servicing your vehicle. For more information go to www.P85Warnings.ca.gov/passenger-vehicle.
