Subject: Heartfelt Thanks for Tax Ditch Renovation

Dear Council Members of the Town of Oceanview,

On behalf of the Avon Park Board of Directors and our residents, we wish to extend our deepest gratitude for the recent tax ditch renovation completed in our community. This critical project has greatly enhanced the safety of two homes that were at risk of structural damage due to the proximity of the tax ditch.

We are especially thankful to Ken Cimino, Planning, Zoning & Development Director, whose tireless efforts and unwavering commitment were key to advancing this important project. Ken's dedication, guidance, and advocacy ensured that this substantial and complex undertaking was completed successfully, safeguarding both the homes directly affected and the overall integrity of our development.

The impact of the work goes far beyond the immediate safety improvements—it demonstrates a genuine care for the residents and the long-term well-being of our community. The residents of Avon Park now feel a renewed sense of security and pride in their neighborhood, knowing that their safety and property are protected thanks to his leadership.

Please accept our sincere thanks for your dedication, hard work, and thoughtful attention to this matter. Avon Park is fortunate to have such committed officials advocating for its safety and improvement, and we are truly grateful for the positive difference you have made in our community.

With deepest appreciation,

Mark Sewak

President, Avon Park Board of Directors
