TOWN OF OCEAN VIEW
DELAWARE

November 10, 2026

TO: Honorable Mayor and Council
FROM: Dawn Mitchell Parks, Finance Director
VIA: Carol S. Houck, Town Manager
SUBJECT: Monthly Financial Update as of October 31, 2026

1. **Real Estate Tax**

The FY2027 Tax bills were processed and available online on May 1st for the assessments that were posted by February 15, 2026 ($1,424,245,600). The property tax bills totaled $3,671,705. The bills were postmarked by June 5th, and taxpayers had until July 31 to take advantage of the 1% discount and until August 31 to pay their current year's taxes without penalty. As of the end of October, we collected 99.08% of current year's taxes and 2961 property owners took advantage of the early payment discount amounting to savings of $31,310.

Currently, there are seven (6) property owners with prior year taxes due (a lien is held on one of the properties and payment arrangements on four (4) others). The sixth property will receive a letter from the Town Solicitor in November.

2. **Balances – Reserve and Committed Funds**

(a) **Trust Funds:**

Emergency Reserve Trust Fund (ERTF) $ 1,288,653

The Emergency Reserve Trust is funded at just under 20% of the FY27 operating budget. ERTF currently has $944,652 available for use in a Fulton Money Market account and $344,001 invested in Raymond James Financial Services (a division of Fulton Financial Services).

Capital Replacement Trust Fund (CRTF) $1,918,439

The FY27 obligation from the Capital Replacement Trust is $298,960. CRTF currently has $1,549,160 available for use in WSFS Money Market account and $369,279 invested with WSFS in the form of a 12-month, 2.225% CD that will come due on 8/28/2027.

Street Repair and Replacement Trust Fund (SRRTF) $ 2,441,435

The FY27 obligation from the Street Repair and Replacement Trust is $144,860 for capital projects and $290,000 for street paving and sidewalks. SRRTF currently has $1,694,708 available for use in a Fulton Money Market account and $515,774 invested with Fulton CRIM and includes $230,953 held in MSA money market account at Fulton Bank.

Tax Rate Stabilization Trust Fund (TRSTF) $ 1,435,994

The Tax Rate Stabilization Trust is funded at just under 20% of the FY27 operating budget. TRSTF currently has $584,481 available for use in a Fulton Money Market account and 851,513 invested with Raymond James Financial Services (a division of Fulton Financial Services). Beginning balance of $1,430,910 was established by Ordinance 415.

(b) **Emergency Services Enhancement Funding (ESEF) Program:** $ 1,411,055

The chart below shows the funds accumulated from the issuance of building permits which are committed and available for distribution. The amount collected as of the end of October 2026 consists of 24 new home construction permits (70 were budgeted) along with .5% of the construction value of permits issued.

For FY27, to meet our $1,250,000 budgeted goal we needed to collect $104,166 monthly. As of the end of September, the Town is $416,672 ahead of year-to-date budgeted target.

4. **Financial Statement Recap (pages 3 and 4) followed by the October Analytics (pages 5 and 6)**

Attached are updated Revenue and Expenditure financial reports for the date ending October 31, 2026. At this point in our fiscal year, expenditure utilization should be at 50% or less. The Town's utilization is 47% of the operating budget.

As always, if you have any questions concerning the Financial Reports, please do not hesitate to contact me.

Respectfully submitted November 6, 2026

Town of Ocean View

Comparison of Operating Budget to Actual – Analytic Comments
Year-to-Date for the Fiscal Year Ending April 30, 2027

Revenues

A. **Property Tax Revenues:** The FY27 tax bills were postmarked on June 6th. Taxpayers had until July 31 to take advantage of the 1% discount and until August 31 to pay without penalty. Penalties are billed monthly on unpaid taxes. New Construction Half-year bills will be processed and mailed in the first week of November.

B. **Transfer Taxes:** We continue to build the various reserve funds for future capital repairs and replacement needs and street and sidewalk repairs. The reserve funds were established by ordinance for specific purposes. For FY27, to meet our $1,250,000 budgeted goal we needed to collect $104,166 monthly.

C. **Grants – State Grant (Municipal Street Aid):** Historically, the Town's share of MSA funding has been approximately 1.9% of the total state-wide grant. For FY26, the Town was allotted $126,351, which is 2.11% of the total MSA funding. The State released the FY27 allotments in late July. Based on 27.33 miles of streets, the Town will be allotted $126,391 or 2.1% of the total MSA funding ($6 million).

D. **Public Safety Grants**: This category is comprised of various grants to aid in public safety including: (1) Sussex County Council provides an annual grant to each municipal police department that responds to calls within the County but outside that department's normal jurisdiction. These funds are moved to the capital budget and are used towards the purchase of a new police vehicle; (2) The State provides an annual grant to assist with the cost of the pension expense for those in the plan for sworn officers.

E. **Gross Rental Receipts Tax:** The Gross Rental Receipt tax rate increased to 6% for rental income received after January 1, 2025. The collection of GRRT tax is based on the calendar year and payments are due August 15 and February 15. Therefore, most revenue is received in July/August and January/February.

F. **Licenses:** The town issues business (annual and temporary) and rental licenses. Licenses are issued on an annual basis and are due at the beginning of each calendar year. Accordingly, during the first eight months of the fiscal year, license collections are expected to be minimal. Normal collections primarily occur in December and January.

G. **Miscellaneous:** This category is primarily comprised of: (1) Cable Franchise Fees: The franchise agreement with Mediacom and is based on 5% of the cable company's revenue from its customers in Town and is paid quarterly. (2) reimbursement of prior year expenses; (3) rental of meeting room and park; (4) administrative fee (10% of reimbursable reviews); (5) Sale of assets; and (6) Donations.

H. **Revenue with Offsetting Expense:** The major components of this category are (1) The pass-thru ambulance fee for MVFC ($160,600 budgeted, $161,950 actual). Funds collected by September 30th will be turned over in October. (2) The charges billed by the Town to property developers for inspections of construction work related to roads, site development, and sidewalks that are done by the Town's engineer ($150,000 budgeted).

Revenue not available for Operations

I. **FY27 Restricted/Committed Revenue:** These funds are committed to or restricted to specific purposes and thus are not available for general operations. The restricted funds are comprised of transfer tax revenue and interest earned on the restricted funds. A portion of the Impact Fees collected are committed to the Emergency Services Enhancement Fund (ESEF), which are distributed as a grant award each spring.

Expenditure

J. **Contracted Services, Other:** Contracted services comprised of various maintenance agreements (ie elevator, HVAC, pest control, etc.), cleaning services, holiday décor management and the outsourcing of Town maintenance.

K. **Employee Related Expenses, Other:** This line includes expenses for dues and membership, meetings and seminars, and travel reimbursement.

L. **Grant Awards: ESEF Funds:** At the end of FY26, a total of $1,218,195 in ESEF collections were carried over to FY27. The MVFC grant request and subsequent distribution normally occur in March. For FY27, $80K has been budgeted for MVFC, $210K for OVPD for vehicle replacement and $146,305 for the OVPD Pay Scale implementation.

M. **Insurance – Business:** The Town's general business insurance policies are renewed annually on May 7 and the premiums are paid at the beginning of the fiscal year.

N. **Public Relations:** The primary expenses are for the Concerts in the Park, Holiday Market & Tree Lighting, and Cops & Goblins. Most of these costs are incurred in the first half of the fiscal year.

O. **Repairs & Maintenance – Street & Sidewalk Maintenance, Replacement & Repairs:** This line represents Sidewalk repairs and annual street maintenance. Street Paving determined by the amended Street Paving Study is also included in this line item.

P. **Supplies & Miscellaneous - Department Specific:** Related to G&A are fees associated with banking/investments and transfer tax collections. With Public Safety the expenses are primarily ammunition, canine and various PS specific supplies. DPW the expenses include street signage.
